Walker, Kim Hyunsook Song, 2007 This book is based on the INTASC principles the most widely recognized and used set of national standards for classroom educators in the U S Specifically it teaches candidates how to select powerful artifacts of their teaching and how to construct meaningful reflective statements in the context of

powerful professional portfolios Preface **The Validation Process for EYPS** Jennifer Colloby,2009-04-30 This book supports all candidates for Early Years Professional Status EYPS as they prepare for the Validation Process Through a series of reflective activities based on case studies of successful candidates this book helps those on the EYP pathway prepare for assessment and build confidence in their own good practice and skills This second edition incorporates the changes to the assessment requirements introduced in September 2008 and references the new Candidate s Handbook *Divided Loyalties* Brooke Jeffrey,2010-12-04 The Liberal Party has governed Canada for much of the country s history Yet over the past two decades the natural governing party has seen a decrease in traditional support finding itself in opposition for nearly half of that time In *Divided Loyalties* Brooke Jeffrey draws on her own experience as a party insider and on interviews with more than sixty senior Liberals to follow the trajectory of the party from 1984 to the leadership of St phane Dion in 2008 Riven by internal strife leadership disputes and financial woes the Liberal Party today faces unprecedented challenges that threaten its very future Conventional wisdom attributes the origins of the disarray to personal conflict between Jean Chr tien and Paul Martin However Jeffrey argues that this divisiveness is actually the continuation of a dispute over Canadian federalism and national unity which began decades earlier between John Turner and Pierre Trudeau This dispute as evidenced by recent leadership crises remains unresolved to this day An insightful examination of the federal Liberal Party *Divided Loyalties* sheds much needed light on an increasingly fissured party **The Journal of Mental Science** ,1906
