

## **CORPSE CANDLE**

*The corpse candle is the undead spirit of a murdered man or woman that coerces the living into bringing its killer to justice. Its name comes from the flamelike light that flickers in the eyes of its corpse while the spirit waits for a champion to avenge it.*

**No Physical Form.** When a corpse candle is first encountered, it appears as a ghostly flame flickering in the eyes of a murdered man or woman. Corpse candles are both ethereal and invisible creatures. Those who can see such things describe them as vaporous wisps of mist or fog that take on a vaguely humanoid shape.

**Silent As The Grave.** The corpse candle cannot speak and can only communicate its desire to have its killer brought to justice by means of a weak mental suggestion that it employs when it selects a creature to act as its champion of vengeance.

**Future Revenants.** The corpse candle is a creature created by emotion so intense that it defies the laws of the grave. This intense need for justice in the original creature's killing is the foundation of what a corpse candle is, and if that need is not met, eventually, the spirit of the victim will rise as a revenant. Revenants are much more dangerous and unhinged than the corpse candle's spirit, and this method of seeking vengeance is meant as a first step on the soul's path to justice and ultimately, finding peace in death.
