Cape Cod Conundrum:

THE CAPE COD CONUNDRUM. Margot Arnold,1994 **The Cape Cod Conundrum** Margot Arnold,2007-05-29 Back from Rome their ninth frantic escapade mercifully ended Penny and Sir Toby decide it s high time for a rest When they get the chance to return to Cape Cod the scene of their second misadventure they can t resist But they soon have a dead body on their hands and a puzzle within a puzzle to decipher as well **THE CAPE COD CONUNDRUM.** Margot Arnold,1994

Risk Conundrums Roger E Kasperson,2017-07-14 A risk conundrum can be viewed as a risk that poses major issues in assessment and whose management is not easily engaged Such perplexing problems can either paralyze or badly delay risk analysis and directions for progression Rather than simply focusing on the progress in risk analysis that has already been made it is crucial to consider what has been learnt about these seemingly unmanageable problems and how best to move forward Risk Conundrums seeks to answer this question by bringing together a range of key thinkers in the field to explore key issues such as risk communication uncertainty social trust indicators and metrics and risk management drawing upon case study examples including natural disasters terrorism and energy transitions The initial chapters address risk conundrums their properties and the challenges they pose The book then turns to a greater emphasis on systemic and regional risk conundrums Finally it considers how risk management can be changed to address these unsolvable conundrums Alternative pathways are defined and scrutinized and predictions for future developments set out This book will be of great interest to students and scholars of risk governance environmental policy and sustainable development *Bowker's Guide to Characters in Fiction* 2007 ,2008-02 **Cape Cod Magazine** ,1915 **Mystery Women** Colleen A. Barnett,1997

Mystery Women Colleen Barnett,2010-03 Edgar and Agatha nominated author Colleen Barnett here updates her essential reference for readers and writers of mystery examining women who detect women as sleuths and the evolving roles of women in professions and in society **Anthropology in the Public Arena** Jeremy MacClancy,2013-01-23 ANTHROPOLOGY IN THE PUBLIC ARENA A critical insider Jeremy MacClancy celebrates maverick anthropologists who transgressed academic frontiers and urges his colleagues to engage the public This is an entertaining original and provocative book Adam Kuper Professor Emeritus University of Cambridge Jeremy MacClancy insightfully expands the history of anthropology beyond the confines of the academy showing us how a collection of poets popularizers critics surrealists neo Freudians and iconoclast savants shaped anthropology s imagination David Price St Martin s University Washington ANTHROPOLOGY IN THE PUBLIC ARENA This detailed survey of the evolution of anthropology in Britain is also a spirited defence of the public as well as professional role of the discipline The author argues for a broader vision of the value of anthropological knowledge that allows for the creative contributions of popular scientists and literary figures who often capture the public imagination and add much to our knowledge of human social relations Informed by original archival research and engaging narratives of the larger than life personalities of public intellectuals the author reveals the

contributions of neglected but crucial figures such as John Layard Geoffrey Gorer Robert Graves and the originators of Mass Observation today's online repository of anthropological data MacClancy is guided by the notion that anthropology's continued dynamism requires an alliance of interests popular and academic that will recover marginalized studies and recognize the value of contributions from outside the university research community Its synthesis of diverse topics illuminates an anthropology that enriches the popular cultural discourse and serves as a versatile tool for exploring pressing issues of social organization and development The reframed narrative of British anthropological history that emerges is as integral to the future of the subject as it is informative about its past
