Capital And Its Structure:

Capital and Its Structure Ludwig M. Lachmann,1956 Capital & Its Structure Lachmann,2007 Ludwig Lachmann in 1956 set out to correct the problem that the economics profession had no coherent and working understanding of capital a concept so integral to economic science and yet not explored at length since the takeover of macroeconomics by Keynesian theory The result was his most lasting contribution to economic theory He expands on the ideas of Boehm Bawerk and Hayek to create a picture of the capital goods sector that incorporates all essential Austrian insights on the nature of the market process His writing is lucid and sophisticated Mises was impressed by this book and Rothbard drew on it for his own theory of the business cycle having cited it often It remains a seminal study written while he was at the height of his intellectual powers *Capital and Its Structure* L. Posthegemony Jon Beasley-Murray,2010 A challenging new work of cultural and political theory rethinks the concept of hegemony **Leadership** Ronald R. Sims,Scott A. Quatro,2005 The contributors here seek to define exactly what leadership is or should be and how to effectively develop it Guided by an unusual framework that looks at leadership across different sectors and functions they examine what they view as the major leadership challenges throughout the world **Oxford Handbook of Sociology, Social Theory and Organization Studies** Paul S. Adler,Paul du Gay,Glenn Morgan,Michael Reed,2014-10-16 Sociology and social theory has always been a major source of new perspectives for organization studies Access to a series of authoritative accounts of theorists and research themes in sociology and social theory which have influenced developments in organization studies is essential for those wishing to deepen and extend their knowledge of the intersection of sociology and organization studies This goal is achieved by drawing on a group of internationally renowned scholars committed in their own work to strengthening these links and asking them to provide critical accounts of particular theorists and research themes which have straddled this divide This volume aims to strengthen ties between organization studies and contemporary sociological work at a time when there are increasing institutional barriers to such cooperation potentially generating a myopia that constricts new developments Used in conjunction with its companion volume *The Oxford Handbook of Sociology and Organization Studies* Classical foundations the reader is provided with a comprehensive account of the productive and critical interaction between sociology and organization studies over many decades Highly international in scope theorists and themes are drawn from both the USA and Europe in equal measure Similarly the authors of the chapters are drawn from both sides of the Atlantic The result is a series of chapters on individuals and key research themes and debates which will provide faculty and post graduate researchers with appreciative authoritative and critical accounts that can be drawn on to design courses or provided guided reading to the field Islamic Finance Rifaat Ahmed Abdel Karim,Simon Archer,2011-09-02 Islamic Finance The Regulatory Challenge is therefore timely and a truly welcome addition to the growing literature on this subject I congratulate the two professors for their fine contribution to the evolving art and

science of the regulation of Islamic finance Dr Zeti Akhtar Aziz Governor Bank Negara Malaysia The World's financial regulators have taken too long to appreciate the importance of adapting their regulatory frameworks to the needs of the fast growing Islamic finance sector Simon Archer and Rifaat Ahmed the leaders in the field have put together a fascinating collection of essays which show just what has to be done It is a very timely book indeed Howard Davies Director London School of Economics The emergence of Islamic finance as a major force in the world financial system has focused attention on regulatory issues This book edited by Professor Archer and Professor Rifaat two of the most respected figures in the field is an important point of reference for those who have to deal with these issues whether in regulatory authorities or in the financial institutions themselves Professor William Blair QC Grays Inn London There is now great interest both in financial and legal circles in reliable and authoritative texts on Islamic finance I have no doubt that the availability of Islamic Finance The Regulatory Challenge will be warmly welcomed by those who provide financial and legal services The work will be of great assistance to them The Rt Hon the Lord Woolf of Barnes Law Lord and former Lord Chief Justice of England Wales
