Burns, 2015-11-05 While giving his third State of the Union address a U S President is shot in the Capitol s House Chamber via a drone The first female president is then thrust into the Oval Office without an action plan from her predecessor Relying on her abundance of grace and intelligence she s determined to make her tenure as POTUS meaningful and positive for the American people An investigation of the shooting by a political blogger and an ex newspaper reporter outpaces the work of the federal authorities Their gamble pays off when the shooter approaches them with an exclusive story After receiving a second contract request to assassinate the newly sworn in American president the shooter along with the unlikely partner he picks up in Las Vegas returns to D C Capitol Secrets is a tightly woven tale of an ineffectual and corrupt Washington and the struggles of a new White House administration attempting to initiate a constructive change to Capitol Hill s business as usual tradition Do the American people have any hope that Washington politics will transform and their elected officials actually do the work Warning Strong Language *Capitol Secrets: Leadership Wisdom from a Lifetime of Public Service* Bill
