Captive The Free:

He Came to Set the Captives Free Rebecca Brown,1992-07-01 For seventeen years Elaine served her master Satan with total commitment Then she met Dr Rebecca Brown who served her master Jesus Christ with equal commitment Elaine one of the top witches in the U S clashed with Dr Brown who stood against her alone In the titanic life and death struggle that followed Dr Brown nearly lost her life Elaine finding a power and love greater than anything Satan could give her left Satan and totally committed her life to Jesus Christ This is an honest in depth account of Satan s activities today You ll see how to Recognize and combat the many satanists who regularly infiltrate and destroy Christian churches Recognize and combat satanic attacks Recognize those serving Satan and bring them to Jesus Christ Set the Captives Free Victoria Cole,2003-08 I met Inge in the autumn of 1969 shortly after she arrived in New York Introduced by a mutual friend we fell in love and got married a year and a half later She was the first German I got to know and she did not resemble the ugly German stereotype so many Americans were raised hearing about Born after the war ended and out of wedlock she was innocent of any wrongdoing but had to endure being raised among the rubble and anguish which follows all wars Living in a shack without electricity or running water her family survived by growing what they could and struggled until slowly life began to improve but her resolve to leave Germany was already firmly in place Those terrible memories plus growing up in a dysfunctional environment were the motivation for her extensive travel throughout Europe during her teens Today over fifty years after the end of that terrible war she is still on occasion the victim of anti German bias every bit as ugly as racism or anti Semitism Millions of people of that generation have carried a burden they shouldn t have This story had to be told and I am proud of her determination for doing so Hopefully this book will make people remember that children are not responsible for the sins of their Fathers He Sets the Captive Free Corrie Ten Boom,1977 Carrie Ten Boom shares what she learned during her imprisonment The Captive and the Free Joyce Cary,1959 Mr Preedy is an evangelist and faith healer of extraordinary gifts a reformed scoundrel and seducer self confessed variously hailed as madman fraud and humbug and truly dedicated man of God By rousing the forces of orthodoxy in a parish in the heart of London he stirs up a storm that involves the embattled local press and leads to a general dusting off of personal beliefs Mr Preedy lives imaginatively by the faith and the power of the word in a world which compels every individual to exercise the privilege of choice He is a free man free to be good or evil **Setting All the Captives Free** Ian K. Steele,2013-10-24 Among the many upheavals in North America caused by the French and Indian War was a commonplace practice that affected the lives of thousands of men women and children being taken captive by rival forces Most previous studies of captivity in early America are content to generalize from a small selection of sources often centuries apart In Setting All the Captives Free Ian Steele presents from a mountain of data the differences rather than generalities as well as how these differences show the variety of circumstances that affected captives experiences The product of a herculean effort to identify and analyze the captives taken on the Allegheny frontier

during the era of the French and Indian War *Setting All the Captives Free* is the most complete study of this topic Steele explores genuine doctored and fictitious accounts in an innovative challenge to many prevailing assumptions and arguments revealing that Indians demonstrated humanity and compassion by continuing to take numerous captives when their opponents took none by adopting and converting captives into kin during the war and by returning captives even though doing so was a humiliating act that betrayed their societies values A fascinating and comprehensive work by an acclaimed scholar *Setting All the Captives Free* takes the study of the French and Indian War in America to an exciting new level

Setting Captives Free Jake Kail,2020-11-17 The Spirit of God within you has power and authority over all the works of the devil Deliverance ministry should be a normal part of your everyday Christian life Deliverance was a key part of Jesus ministry and we need it today more than ever Even in our modern day demons work to influence and oppress But it takes the compassion

Austin Miles,1990-11 I was brought into a Christian church by a so called Christian lady While I received Jesus Christ in my heart she left the service to go sleep with my husband Before I had time to think there stood Mr X In a split second he grabbed me and began to squeeze my breasts and crotch I remember struggling to escape I was twelve years old Our church s youth pastor became sick with cancer Medical treatment was resisted and all they did was pray and fast around him 24 hours a day He died He was 26 years old Ten years as a minister with the Assemblies of God Church turned Austin Miles into

one of today's most outspoken critics of the church and propelled him into the international spotlight as an important spokesperson on a subject that has been handled far too delicately for far too long Miles first book the controversial Don't Call Me Brother sold thousands of copies appeared on several religious bestseller lists and led to an unprecedented outpouring of media attention and public response This book updates events following the publication of the book and the televangelist scandals and includes letters from Miles admirers and critics from a 70 year old man who sees the truth about born again Christianity for the first time to a ministerial candidate with a high heel fetish Letters from followers of the late faith healer William Branham call the book blasphemous others detail tragic stories of molestation the loss of life savings and the alienation of family members These letters many of them expressing confusion and pain provide the springboard for Miles hard hitting examination of deceptive religious organizations and for updates on the cast of characters that still controls much of the religious thinking of our time
