Birds Of The Mid Atlantic:

Birds of the Mid-Atlantic States Greg R. Homel, 2014-11-01 **Northeastern Birds** Bill Thompson, 2013-09-15

From the editor of the nation's premier birding magazine a no nonsense no fluff quick guide to the birds you see every day

Of all the classic American pastimes perhaps none is as widely accessible as watching birds Our unusually vast diverse environmental landscape supports fascinating species and variations exclusive to each region of the country But while birders often spend their efforts in search of the rarest creatures some of the most beautiful and intriguing birds are the ones that frequent our backyards or nearby daily For that reason where other larger volumes focus on bird types that the casual observer is never likely to encounter **Northeastern Birds** concisely celebrates those species living under our very noses

Written by Bill Thompson III the editor and co publisher of *Bird Watcher's Digest* this portable 5x8 book contains the same variety of entertaining and informative entries that make *Bird Watcher's Digest* the nation's most popular birding magazine

Inside you'll find profiles of the 55 most common birds in the Northeast complete with large color photos gender specific physical descriptions nesting and feeding information bird call particulars and interesting stories about each species

Thompson also introduces the reader to the basics of bird watching essential gear bird friendly food and plantings housing tips and observational techniques
