*Birds that Hunt and are Hunted* Neltje Blanchan, 1899      **BIRDS THAT HUNT & ARE HUNTED** Neltje 1865-1918  
Blanchan, 2016-09-10      **Birds That Hunt and Are Hunted** Neltje Blanchan, 2021-12-08 In 1898 Neltje Blanchan was utterly frustrated and dismayed at the decrease in the bird population much like you are now which was primarily caused by reckless hunting by humans for sport and profit Again much like today So he wrote a book from the view of a bird lover who needed people to understand the damage they were causing not just to the birds but also to society In this book you will find the life history of one hundred and seventy magnificent birds of prey Birds regularly killed for food sport and for the barbaric purpose of decorating women s hats You will find the language of this book easy to read Thoroughly researched and providing in depth studies and features of the birds Blanchan has written this book not just for the enjoyment and indignation of bird lovers but also for anyone with the slightest love of nature or interest in the wilds around us      **Birds That Hunt and Are Hunted** Neltje Blanchan, 2013-12 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy      *Game Birds - Life Histories of One Hundred and Seventy Birds of Prey, Game Birds and Water Fowls* Neltje Blanchan, 2009-02-05 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork      *Birds That Hunt and Are Hunted* Neltje Blanchan, 2015-07-21 Excerpt from *Birds That Hunt and Are Hunted Life Histories of One Hundred and Seventy Birds of Prey Game Birds and Waterfowls* Bird life is disappearing from the United States and Canada at so alarming a rate I sometimes feel it is wrong at this day and age of the world to encourage the hunting and shooting of birds of any kind Mr W T Hornaday the Director of the New York Zoological Society has recently collected and compiled statistics from more than thirty states showing that the decrease of birds within the past fifteen years has averaged over forty per cent At this rate another twenty years would witness the total extermination of many birds in this country Several species have already become extinct and others are rapidly approaching the danger line Conspicuous among these are the wild turkey and the pinnated grouse two of the noblest birds on the continent Several species of water fowl are also growing scarce Not only are game birds pursued and killed in season and out of season under the name of sport and for market but the song birds plumage birds water fowl and many innocent birds of prey are hunted from the Everglades to the Arctic Circle for the barbaric purpose of decorating women s hats The extent of this traffic is simply appalling Some of the plumes of tropical and semi tropical birds sell at as high a price as fifteen dollars an ounce No wonder the cupidity of ignorant and heartless market hunters is tempted by such

prices to pursue and kill the last one of these birds It seems incredible that any woman in this enlightened and refined age when sentiment against cruelty to animals is strong in human nature could be induced to wear an ornament that has cost the life of so beautiful a creature as an egret a scarlet tanager or a Baltimore oriole What beauty can there be in so clumsy a head decoration as an owl or a gull Yet we see women whose nature would revolt at the thought or the sight of cruelty to a horse or a dog wearing the wings plumes and heads if not the entire carcasses of these birds Not only is the life of the bird sacrificed whose plumage is to be thus worn but in thousands of instances the victim is the mother bird and a brood of young is left to starve to death in consequence of her cruel taking off Is it not time to check this ruthless destruction of bird life by the enactment and enforcement of proper laws About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
