Birth Of Our Lord Jesus Christ According:

The Birth of the Lord Jesus Christ According to the Gospels of Saint Matthew and Saint Luke, 1952 **Orthodox Christian Renewal Movements in Eastern Europe** Aleksandra Djurić Milovanović, Radmila Radić, 2017-10-11 This book explores the changes underwent by the Orthodox Churches of Eastern and Southeastern Europe as they came into contact with modernity. The movements of religious renewal among Orthodox believers appeared almost simultaneously in different areas of Eastern Europe at the end of the nineteenth and during the first decades of the twentieth century. This volume examines what could be defined as renewal movement in Eastern Orthodox traditions. Some case studies include the God Worshippers in Serbia, religious fraternities in Bulgaria, the Zoe movement in Greece, the evangelical movement among Romanian Orthodox believers known as Oastea Domnului, The Lord's Army, the Doukhobors in Russia, and the Maliovantsy in Ukraine. This volume provides a new understanding of processes of change in the spiritual landscape of Orthodox Christianity and various influences such as other non-Orthodox traditions, charismatic leaders, new religious practices, and rituals.

Nicene and Post-Nicene Fathers: First Series, Volume IV St. Augustine: The Writings Against the Manichaeans, and Against the Donatists Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity. For the first time, doctrines were organized into a single creed. The Nicene and Post-Nicene Fathers did most of their writing during and after this important event in Church history. Unlike the previous era of Christian writing, the Nicene and Post-Nicene era is dominated by a few very important and prolific writers. In Volume IV of the 14-volume collected writings of the Nicenes and Post-Nicenes first published between 1886 and 1889, readers will find Augustine's writings defending the Catholic Church against the Manichaeans and the Donatists. Manichaeism was a religion developed in Persia by the prophet Mani. According to this religion, creation has two parts: darkness and light. Light is God and has ten attributes. Opposing this and coeternal with it is darkness and its five attributes. Saint Augustine was originally a Manichaean, so his defense of Christianity against this religion comes from a deep understanding of its nature. Donatists were a group of believers who refused to forgive those who had renounced their faith during a time of persecution, which caused a schism in Christianity. In opposing these men, Augustine attempted to mend the rift. Those with an interest in ancient religions will find Augustine's writings on Manichaeism one of the most important historical records of that religion's practices. **An exposition of the Gospel according to st. Matthew** Daniel Bagot, 1844 *The Assembly's Shorter Catechism, Explained. In Two Parts. By Some Ministers of the Gospel [E. and R. Erskine, and J. Fisher]. The Seventeenth Edition* Assembly of Divines (England), 1813 *Israel and the Covenants in New Testament Times* Peter Williams, A Bible student reference. A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end. Yet Christianity has overwhelmingly moved so far from its first-century roots that it could not even recognize this or that Christ's return is therefore now almost upon us. How and why

this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that
