Kelley,2011-07-29 When a deceased southern Appalachian grandmother delivers a mysterious message to her adult granddaughter in a waking dream she sparks a mystical adventure that helps the young woman turn her life around The Garden of a Desert Rose a spiritual novel is a modern day Jungian takeoff on A Christmas Carol in which Scrooge is a sweet natured Southern single mother in red snakeskin heels no less who spouts Bible verses and basic Jungian concepts with equal enthusiasm Feeling defeated by her life choices thirty two year old twice divorced Lenny has little energy for launching a journey of self discovery Raising two children and holding down a job as a secretary for the coaching staff of the University of Tennessee football team keeps her days busy But Lennys nights open a portal to a series of vivid lucid dreams overflowing with rich archetypal images Buoyed by the support of friends and her unflagging sense of humor Lenny sees her inner desert transform into a blossoming oasis with one final Christmas Eve dream This is a work of real fiction that tries to capture the reality behind the known world The tools in author Deborah L Kelleys hand are her colorful imagination and a lifetime of
