## **Bisexual Living:**

**Bisexuality and the Eroticism of Everyday Life** Marjorie Garber, 2013-05-13 Bisexuality is about three centuries overdue nevertheless here it is a learned witty study of how our curious culture has managed to get everything wrong about sex Gore Vidal [Bisexual Living](#) Julius Fast, Hal Wells, Pomeroy, Wardell Baxter, 1975 [Women and Bisexuality](#) Sue George, 1993 How do bisexual women lead their lives Are they monogamous celibate involved in multiple relationships Are they young old black white married single living as lesbians How their partners feel about their sexuality How open can they be with their children colleagues friends and families And what has led them to identify in this way In Sue George's pioneering study the first full length book on bisexual women to have appeared in the UK 150 women from a range of backgrounds and age groups tell what it's like to be bisexual Their experiences including seven long and frank interviews are placed against an examination of the theories developed about bisexuality from the late nineteenth century to the present day a discussion of the often fraught relationship between bisexuality and feminism and an analysis of why it has suited society to ignore bisexuality and to pigeonhole everyone into the categories of heterosexual or homosexual A valuable contribution to our knowledge about sexuality [Women and Bisexuality](#) paints a vivid picture of how bisexual women live today and asks how bisexuality as a political and social identity might be constructed in the future **Bisexual Men in Culture and Society** Brett Beemyn, Erich W. Steinman, 2002 Appearing simultaneously as *Journal of Bisexuality* volume 2 number 1 2002 this book considers the literary cultural and theoretical representations of male bisexuality It deconstructs the negative stereotypes surrounding bisexuality and analyzes the underlying reasons for them The precarious social position of bisexual men is addressed and the representations of bisexuality in cultural and political discourse are examined in terms of race sex and gender politics c Book News Inc **Bisexual Resource Guide** Robyn Ochs, 2001 This guide lists 352 bi groups and 2129 bi inclusive groups in 66 countries and includes bibliographies an annotated list of recommended films advertising photos quotes cartoons and an electronic resources section [The Bisexual Imaginary](#) Bi Academic Intervention, 1997 This insightful and lively book examines the consumption of the lesbian idols kd lang and Martina Navratilova by their many lesbian fans in contemporary society through an analysis of lesbian recognition identification and desire Allen suggests that the star fan relationship existing between these stars and their fans challenges a heterosexual notion of sex as determining gender because of the function of the masculine woman as a powerful signifier of lesbian identity Thus the way in which Martina and kd embody an ongoing and lived out lesbian identity makes representations of them in the mainstream media an unprecedented phenomenon which undercuts the primacy of heterosexual gender relations This is contrasted with the recent media popularization of lesbian chic which is viewed rather as a homophobic recuperation of lesbians under the visual codes of conventional femininity [The Lesbian Idol](#) presents a multitextual and highly critical analysis of lesbian fans personal accounts of their adoration for their idols the ways in which Martina and kd have been represented in the mainstream media

and the key discourses through which lesbian identity and culture have recently been theorized such as psychoanalysis queer theory and feminism

**The Bisexual Option** Fred Klein, 1978 Consistently assumes that bisexuality involves absolute equality of homosexual heterosexual impulse and action Assumes that both homosexuals and heterosexuals suffer from fear of the rejected sex Jim Kepner **Journal of Morphology and Physiology**, 1925 **The Cambridge natural history** Sir S.
