Bishop Hugh Montefiore:

Bishop Hugh Montefiore John Stuart Peart-Binns,1990 **Credible Christianity** Hugh Montefiore,1998-07-14 Bishop Hugh Montefiore tackles the question of how the full range of Christian doctrine may be understood by people today Writing in an accessible style he addresses the questions posed by science and other modern disciplines *ThirdWay* ,1987-07 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **The Church in Anglican Theology** Kenneth A. Locke,2009 This book is the first systematic attempt to describe a coherent and comprehensive Anglican understanding of Church Rather than focusing on one school of thought Dr Locke unites under one ecclesiological umbrella the seemingly disparate views that have shaped Anglican reflections on Church He does so by exploring three central historical developments 1 the influence of Protestantism 2 the Anglican defence of episcopacy and 3 the development of the Anglican practice of authority Dr Locke demonstrates how the interaction of these three historical influences laid the foundations of an Anglican understanding of Church that continues to guide and shape Anglican identity he shows how this understanding of Church has shaped recent Anglican ecumenical dialogues with Reformed Lutheran Orthodox and Roman Catholic Churches Drawing on the principle that dialogue with those who are different can lead to greater self understanding and self realization Dr Locke demonstrates that Anglican self identity rests on firmer ecclesiological foundations than is sometimes supposed **Church and State** Andrew Partington,2006-08-01 In Church and State Andrew Partington argues that the contribution of the Church of England bishops to the House of Lords during the Thatcher years was overwhelmingly critical of the government failed to have a significant influence in the public realm was inefficient being undertaken by a minority of those eligible to sit on the Bench of Bishops and was insufficiently moral and spiritual in its content to be distinctive On the basis of this and the likely reduction of the number of places available for Church of England bishops in a fully reformed Second Chamber the author argues for an evolution in the Church of England s approach to the service of its bishops in the House of Lords He proposes the Church of England work to overcome the genuine obstacles that hinder busy diocesan bishops from contributing to the debates of the House of Lords and to its life more informally **Alternative Christianities Volume II** Vince Nicolas,2018-12-30 Welcome to Volume II of Alternative Christianities For those that have read Alternative Christianities Volume I Early Christian Sects and the Formation of the Bible Welcome Back and I hope you enjoy Alternative Christianities Volume II The Validity of Today s Christian Teachings and the Lost Gospels of the Other Disciples If you have not read Volume I I do hope you pick it up or order it It is well worth reading For those new readers to whom I have not introduced myself in Volume I I am Vince Nicolas I am a historian not a theologian I am writing these books as a historian not as a theologian I want to make that very clear Oxford Dictionary of National Biography 2005-2008 Lawrence Goldman,2013-03-07 Who made modern Britain This book drawn from the award winning Oxford Dictionary of National Biography tells the story of our recent past through the lives of those who shaped
