## **Bite Size Lincoln:**

**Bite-Size Lincoln** John P. Holms, Karin Baji, 2015-01-13 President Lincoln's thoughts on an astounding range of subjects have not only become classic observations about the human condition in turn of the century America but also continue to amuse, teach and inspire us today. Like the highly successful *Bite Size Einstein* and *Bite Size Twain*, *Bite Size Lincoln* is a compilation of this historic American's famous and eloquent words. A hard life on the American frontier taught Lincoln common sense and a healthy respect for honesty and plain dealing. Organized by categories that encompass his wide ranging observations and commentary, *Bite Size Lincoln* is an enjoyable read and a concise, informative and useful reference for anyone seeking the perfect thought to suit any situation. Some Lincoln classics include: o Always bear in mind that your own resolution to succeed is more important than any other one thing. o So hard is it to have a thing understood as it really is. o The best thing about the future is that it only comes one day at a time. o If destruction be our lot, we must ourselves be its author and finisher.

She is credited for having a special gift for spiritual hospitality which she believes came from those formative years in Lincoln and its many wonderful people who helped one another and were able to make a party out of any event. **Lincoln Herald**, 2001    **Lincoln Lore**, 2002    *Collier's*, 1907    **The Attaché** C.A. Oganga, 2019-07-26 Ivan is back at the institute yet again. His perspective of his school is still the same. He hates it even more now with the new changes. He finds hope when he learns new things that encourage him to stay. He gathers his courage and he moves away from his comfort, looking for better experiences. He allows himself to be immersed into the stringent system and he gets comfortable with living a double life. He is forced into a mission that he ought to have already been done with, propelling him into a world he had never known existed. He discovers exciting details about his father's past life, realizing he is on the exact path his father had penned down for him. He retrieves the magnetized paper in the most unlikely of places and finds himself answering to an accusation that is hardly a fault to a matter he had innocently let out of his mind. He is vindicated by a hairsbreadth and is then returned back to his course to become an important person in the Dylli Community.
