Biting The Dust:

Earth Logic Laurie J. Marks, 2014-08-18 The second book in the Elemental Logic series Earth Logic continues the story from the perspective of Karis a complex character born of magic and now ruler for the country of Shaftal Karis is a woman who can heal the war torn land and expel the invaders but she lives in obscurity with her fractious found family With war and disease spreading Karis must act quickly And when Karis acts the very stones of the earth sit up and take notice Another stunner of a book The powerful but subtle writing glows with intelligence Booklist

Geomythology Timothy J. Burbery, 2021-05-25 Gold guarding griffins Cyclopes killer lakes man eating birds and fire devils from the sky such wonders have long been dismissed as fictional Now thanks to the richly interdisciplinary field of geomythology researchers are taking a second look It turns out that these and similar tales which originated in pre literate societies contain surprisingly accurate pre scientific intuitions about startling or catastrophic earth based phenomena such as volcanoes earthquakes tsunamis and the unearthing of bizarre animal bones Geomythology How Common Stories Reflect Earth Events provides an accessible engaging overview of this hybrid discipline The introductory chapter surveys geomythology s remarkable history and its core concepts while the second and third chapters analyze the geomythical resonances of universal earth tales about dragons and giants Chapter 4 narrows the focus to regional stories and discusses the ways these and other myths have influenced legends about griffins Cyclopes and other iconic creatures The final chapter considers future avenues of research in geomythology including geohazard management geomythology databases geomythical cold cases and ways the discipline might eventually set rather than merely support research agendas in science Thus the book constitutes a valuable asset for scientists and lay readers alike particularly in a time of growing interest in monsters massive climate change and natural disasters
