Bitter Bananas Isaac Olaleye,1996 When baboons begin stealing the sweet palm sap that Yusuf sells at the market near his Nigerian village what is he to do **How to be the Goddess of Your Home** Judith E. Walsh,2005 In the late nineteenth century as dominance of British power in India led to the imposition of an alien culture on indigenous life ways the entire world of local domestic life and its most intimate relationships became contested ground This anthology offers translated selections from nine Bengali domestic manuals written by both men and women in the course of these debates and contestations In simple and often colloquial language these how to do it books act as guides to conducting relations within a family context child rearing and household management Often presented in the form of an intimate dialogue between husband and wife in the dead of the night the translations provide an unusual insight into the home of the Bengali bhadralok in colonial times As one hurtles from one representation of middle class reformism to another it becomes clear that this anthology is an invaluable addition to the rather thin collection of translated primary sources of this period The book will be of interest to students and scholars of gender studies history sociology lay readers interested in the culture of the colonial period as well as all informed women readers *Internet Activities Through the Year* Mary Zinn Beiting,2002-06

Domesticity in Colonial India Judith E. Walsh,2004-05-05 Domesticity in Colonial India offers a trenchant analysis of the impact of imperialism on the personal familial and daily structures of colonized people s lives Exploring the intimacies of empire Judith E Walsh traces changing Indian gender relations and the social reconstructions of the late nineteenth century She sets both in the global context of a transnationally defined discourse on domesticity and in the Indian context of changing family relations and redefinitions of daily and domestic life By the 1880s Hindu domestic life and its most intimate relationships had become contested ground For urban middle class Indians the Hindu woman was at the center of a debate over colonial modernity and traditional home and family life This book sets this debate within the context of a nineteenth century world where bourgeois European ideas on the home had become part of a transnational hegemonic domestic discourse a global domesticity But Walsh s interest is more in hybridity than hegemony as she explores what women themselves learned when men sought to teach them through the Indian advice literature of the time As a younger generation of Indian nationalists and reformers attempted to undercut the authority of family elders and create a new patriarchy of more nuclear and exclusive relations with their wives elderly women in extended Hindu families learned that their authority in family life however contingent was coming to an end But young women learned a different lesson The author draws on an important advice manual by a woman poet from Bengal and women s life stories from other regions of India to show us how young women used competing patriarchies to launch their own explorations of agency and self identity The practices of family home and daily life that resulted would define the Hindu woman of the twentieth and twenty first centuries and the domestic worlds in which she was embedded **Daily Discoveries for MAY** Elizabeth Cole Midgley,2006-03-01 Provides
