- How can you Set Up a Facebook Ad Funnel for e-commerce Products?
- Successful E-commerce Business Stories to inspire.
- And much more.

A well-established e-commerce business is a great feat as it helps you build your brand a lot faster, broadens your marketplace exponentially. Creating a marketing strategy for e-commerce is therefore not just about how to get more sales but also making the customer experience better, building brand awareness and building a lasting relationship with your customers. These E-commerce statistics can help you see the big picture by answering some relevant questions: By 2040, around 95% of all purchases are expected to be via e-commerce. With a reach of 75.4%, Amazon was the most popular shopping app in the US in mid-2018. PayPal had 267M active registered accounts by the fourth quarter of 2018. 61% of online shoppers made an online purchase related to fashion, which is higher than any other product category. Worldwide, the share of m-commerce in all e-commerce is expected to rise to 72.9% by 2021. Online stores that have a social media presence have 32% more sales on average than stores that don't. On average, 52% of online stores have omnichannel capabilities. While the e-commerce economy is poised for significant growth in the coming months and years, you can only expect to see results if you approach it in the right way. That means focusing on the critical tips for e-commerce success. Well, we have put together all the resources you need to tap into this incredible marketing potential with this well-researched, comprehensive *E-commerce Income Mastery Training Guide*.
