

A black and white bird with a striking blue eye is perched on a nest. The nest is intricately constructed from a dense collection of dry sticks and twigs, some of which are woven together. The bird is positioned in the lower-left quadrant of the frame, looking towards the left. The background is a soft, out-of-focus green, suggesting a natural, outdoor setting. The overall composition is centered and balanced, with the bird and its nest as the primary focus.
