Birmingham And West Midlands:

West Midlands English Urszula Clark,2016-07-31 This volume focuses on the closely allied yet differing linguistic varieties of Birmingham and its immediate neighbour to the west the industrial heartland of the Black Country It provides a clear description of the structure of the linguistic varieties **Global Challenge and Local Response** Walter B.

Stöhr,1990 The volume grew out of research undertaken as a part of the UN University s European Perspectives Project It addresses the consequences of the failure of large scale industrial enterprise and the inability of central government policies to cope with the results of economic restructuring in a series of comparative case studies showing how local communities throughout Europe East and West rural and industrial have responded to economic dislocation and decline and how these local initiatives have become the basis for economic regeneration Annotation copyrighted by Book News Inc Portland OR
