Birnbaums Paris 1994:

Birnbaum's Paris, 1994 Alexandra Mayes Birnbaum, 1993 Paris at its best including eight great walking tours of the city's provocative and beautiful sites 1994 Massimo Mastrogregori, 2013-05-08 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors **The Publishers Weekly**, 1994 Nazis and Nobles Stephan Malinowski, 2020 In the mountain of books that have been written about the Third Reich surprisingly little has been said about the role played by the German nobility in the Nazis rise to power While often confidently referred to the fateful role played by the German nobility is rarely if ever investigated in any real detail Nazis and Nobles now fills this gap providing the first systematic investigation of the role played by the nobility in German political life between Germany's defeat in the First World War in 1918 and the consolidation of Nazi power in the 1930s As Stephan Malinowski shows the German nobility was too weak to prevent the German Revolution of 1918 but strong enough to take an active part in the struggle against the Weimar Republic In a real twist of historical irony members of the nobility were as prominent in the destruction of Weimar democracy as they were to be years later in Graf Stauffenberg's July 1944 bomb plot against Hitler In this skilful portrait of an aristocratic world that was soon to disappear Malinowski gives us for the first time the in depth story of the German nobility's social decline and political radicalization in the inter war years and the troubled alliance to which this was to lead between the majority of Germany's nobles and the National Socialists **The Long Presidency** Julius W Friend, 2018-02-07 A balanced yet critical review of Mitterrand's fourteen year presidency Friend has crowned a long career as an expert on French politics with this astute analysis and assessment of a decisive chapter in the history of French Socialism This is contemporary history at its best Richard Kuisel SUNY Stony Brook An intelligent and highly readable account of the Mitterrand years that Friend argues have changed the political landscape of France A very good example of instant history Fritz Stern Foreign Affairs In this informed and balanced treatment of recent French history Julius Friend analyzes the changes successes and failures in the long and checkered record of the former French president Francois Mitterrand Extensive interviews with French politicians and intellectuals complement his original research Mitterrand was in office longer than any other democratic president but Friend asks us to consider the legacy of such a term Elected in 1981 on a platform of radical reorganization of the French economy and society Mitterrand was compelled to change policy within two years Conventional austerity replaced socialist measures and his second term was spotted by scandal and weakened by illness The Mitterrand era saw the end of French hopes to be first among equals in Western Europe instead Mitterrand inaugurated a partnership with unified Germany in the European Union *Books in Print Supplement*

,1994 *Demonizing the Other* Robert S. Wistrich,1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company Birnbaum's Disneyland Resort Birnbaum,2005-10 Official guide to the Disneyland Resort for the year 2006 Contains up to the minute information on all new attractions plus updated listings for the established favourites Because Birnbaum is the only syndicated guide to the Walt Disney theme parks and resorts it is the only one guaranteed to take note of last minute price changes and altered information Includes tips and tricks for stretching every pound to its full potential extensive entries grouped by area of the resort and sample itineraries for trips out in Orlando and surrounding areas Exclusions Julie Fette,2012-03-27 In the 1930s the French Third Republic banned naturalized citizens from careers in law and medicine for up to ten years after they had obtained French nationality In 1940 the Vichy regime permanently expelled all lawyers and doctors born of foreign fathers and imposed a 2 percent quota on Jews in both professions On the basis of extensive archival research Julie Fette shows in *Exclusions* that doctors and lawyers themselves despite their claims to embody republican virtues persuaded the French state to enact this exclusionary legislation At the crossroads of knowledge and power lawyers and doctors had long been dominant forces in French society they ran hospitals and courts doubled as university professors held posts in parliament and government and administered justice and public health for the nation Their social and political influence was crucial in spreading xenophobic attitudes and rendering them more socially acceptable in France Fette traces the origins of this professional protectionism to the late nineteenth century when the democratization of higher education sparked efforts by doctors and lawyers to close ranks against women and the lower classes in addition to foreigners The legislatively imposed delays on the right to practice law and medicine remained in force until the 1970s and only in 1997 did French lawyers and doctors formally recognize their complicity in the anti Semitic policies of the Vichy regime Fette s book is a powerful contribution to the argument that French public opinion favored exclusionary measures in the last years of the Third Republic and during the Holocaust *Birnbaum's Paris* 1992 Stephen Birnbaum,1991-12 Birnbaum's Paris 1993 Alexandra Mayes Birnbaum,1992-10 **Forthcoming Books** Rose Army,1994-04 *Birnbaum's Disneyland Resort 2008* Disney Book Group,Birnbaum Guides,2007-09-18 This updated edition of Birnbaum s *Disneyland Resort* the most respected and well known name in Disney guides takes readers through Walt Disney s first theme park with ease and flair Since our guide is the only guide that s official this book includes the most accurate and current information on prices and attractions This edition includes updates on newcomers to the Downtown Disney District such as the edgy new Disney Vault shop plus Fossil Travelex and more Other updates include an up close underwater look at Tomorrowland s newest attraction the Finding Nemo Submarine Voyage and info on the recently refurbished Pirates of the Caribbean including where to find Captain Jack Sparrow We ve also got an insider s perspective on new attractions and shows at Disney s California Adventure Our guide is also the only one allowed to feature Disney characters And Birnbaum s *Disneyland Resort* is the most comprehensive guidebook offering complete information on the
