*Birthright Reclaimed* R. Stachowiak,2005-04 What do you do if you're a secret government agent that has just found out that you are deposed royalty Let's not forget the fact that in a former life you were the only female Knight of the Round Table and you just happened to be King Arthur's champion Well if you're Sera Nacien you throw out the government that deposed you in the first place and take over from them And then you proceed to recreate Camelot But there are a couple of things that stand in her way One of them is John Morelli and an assassination attempt The other is Mordred Mordred will stop at nothing to regain the honor he forsook long ago And the only way he can do that is if Sera Nacien either dies or fails in what she has set out to do With enemies like that what is a girl going to do Why call on the one group of people who will stand at her side steady and true Because there are no truer brothers in arms than King Arthur and the Knights of the Round Table And when this happens the rest of the world better watch out because one way or another these men will not fail a second time The Old Woman's Daughter Claire Douglas,2006 Also available in an open access full text edition at <http://oaktrust.library.tamu.edu/handle/1969.1/86078> The Old Woman's Daughter offers men and women alike a way to make sense of their lives and find more healing alternatives than offered by our present culture In gentle evocative imagery Jungian analyst Claire Douglas invites readers to reconnect with the ancient tradition of the feminine the Old Woman symbolized by her own Celtic grandmother After considering the dangers to individuals and the society of the masculine focused dualities of our own culture Douglas describes an alternative that incorporates the feminine self within each of us man or woman Douglas draws on myth and story her own experiences poetry the dreams of some of her patients and images available from Tibetan Buddhism to find archetypes that help us recognize our inheritance from the Old Woman She describes a form of therapy that emphasizes cherishment or bonding for the purpose of recovering our ties to the ancient feminine and she deftly incorporates her search for her own voice in shaping the book into an organic whole Rising from Douglas's lifelong interest in the psychology of the feminine this book shows how healing is related naturally to a Motherline of attunement connection and cherishment

Zierler, 2017-08-15 Finalist for the 2017 National Jewish Book Award in Modern Jewish Thought and Experience presented by the Jewish Book Council *Movies and Midrash* uses cinema as a springboard to discuss central Jewish texts and matters of belief A number of books have drawn on films to explicate Christian theology and belief but Wendy I Zierler is the first to do so from a Jewish perspective exploring what Jewish tradition text and theology have to say about the lessons and themes arising from influential and compelling films The book uses the method of inverted midrash while classical rabbinical midrash begins with exegesis of a verse and then introduces a mashal parable as a means of further explication Zierler turns that process around beginning with the culturally familiar cinematic parable and then analyzing related Jewish texts Each chapter connects a secular film to a different central theme in classical Jewish sources or modern Jewish thought Films covered include The Truman Show truth Memento memory Crimes and Misdemeanors sin Magnolia confession and redemption The Descendants birthright Forrest Gump cleverness and simplicity and The Hunger Games creation of humanity in God s image among others
