Bison Distant Thunder:

Bison Douglas Gruenau, 1995 Indecent Liberties Robert Schmuhl, 2000-08-01 This series of eight provocative essays examines why Americans have a penchant for going to extremes in their arts popular culture politics social movements and other aspects of life Robert Schmuhl considers historical examples the hunting of the buffalo in the West Prohibition business ventures in the Gilded Age but concentrates on contemporary subjects including the emphasis on what shocks the audience as entertainment today tensions among specific groups the decline of private life and the excesses of news media coverage in the O J Simpson and Bill Clinton Monica Lewinsky stories *Indecent Liberties* explores the dangers and consequences of carrying fundamental American freedoms too far In this environment achieving a public good can get lost in a frenzy of private gain or a worthwhile idea can be pushed to unrecognizable boundaries producing the opposite of its intended effect When an attitude of anything goes takes hold a sense of limits gets lost and it is different to achieve harmony or a center that holds Especially as we face a new century with talk of hyperdemocracy and hypercommunications common in intellectual circles *Indecent Liberties* argues that seeking equilibrium should be a central objective for all Americans To go to wretched excess can lead to indecent liberties and wretched results that throw the country off balance and endanger the future This book asks questions about today and yesterday that require answers for tomorrow This insightful analysis of a distinct American characteristic is for every reader concerned with America s penchant for going to extremes in ways that produce debatable even deplorable consequences *The Prince Edward readers (ed. by H. Hayens)*. Collins William sons and co, ltd, 1904 Like Distant Thunder Lauren Markewicz, 2005 The continued preservation of bison is one of Parks Canada s greatest success stories The Canadian parks system has been actively involved in protecting bison for over 100 years Like *Distant Thunder* is a genealogical history of the bison herds of Parks Canada While much has been written about the history of bison and Indigenous peoples the destruction of the great bison herds in the nineteenth century and individual conservation herds there are few works that speak of the Parks Canada bison conservation herds as a whole The purpose of this document is to draw together these disparate threads to form a cohesive narrative of the bison herds managed by Canada Introd p 1 **Manual of Natural History Studies for Pupils** , 1898 *Consumption and Waste in American Environmental History* Martin V. Melosi, 2025-03-31 *Consumption and Waste in American Environmental History* is an accessible introduction to the consumption experience wasting practices and disposal history of the United States spanning precontact to the present Centered around concise case studies the book confronts consumption and consumerism and assesses the impact of solid and hazardous wastes from political economic social and especially environmental perspectives The overarching relationship among consumption waste and climate change is woven throughout the book identifying key questions and themes in United States environmental history Each chapter explores a specific element of consumption and waste including the commodification of humans and animals depletion of resources the role of immigrants women and people

of color in sanitation services and as sanitary and environmental activists salvaging and recycling environmental justice e waste plastics space junk and more With a broad chronology and a variety of relevant topics this volume is an engaging resource for undergraduate and graduate students in American history environmental history and sustainability studies
