Son of Paul John Moehl,2021-08-10 This is the story of Peter son of Paul Like many of us Peter is unsure of what life has in store for him What path should he take How should he sculpt his life He after all is a young vigorous and from his vantage point reasonably intelligent young man He is a young man who has followed the growth curve of young men everywhere now looking to what lies over the horizon What can he do What does he want to do What should he do Peter like most in his shoes finds it hard to answer these questions He is burdened with history while blessed with freedom of choice But what should he choose Peter s journey is an adventure that takes him to strange and at times dangerous places introducing him at times to strange and dangerous people while simultaneously introducing him to love It is an exploration that takes him to the fringes and tests his soul Peter s journey is ultimately an attempt to find answers to his questions While it is uncertain if he finds what he is looking for he truly finds much that he never knew existed
