Bitter Years:

The Bitter Years, 1935-1941 Rexford Guy Tugwell, Grace M. Mayer, 2012-07-01 **The Nonviolent Apocalypse** Jeffrey D. Meyers, 2021-11-08 Revelation is resistance literature written to instruct early Christians on how to live as followers of Jesus in the Roman Empire The Nonviolent Apocalypse uses modern examples and scholarship on nonviolence to help illuminate Revelation's resistance arguing that Revelation's famously violent visions are actually acts of nonviolent resistance to the Empire The visions form part of Revelation's proclamation of God's way as a just and life giving alternative to the system constructed by Rome Revelation urges its readers to pursue this radical form of living engaging in nonviolent resistance to all that stands in the way of God's vision for the world **A Light in the Northern Sea** Tim Brady, 2025-07-29 From the bestselling author of Three Ordinary Girls the gripping remarkably little known true story of how the people of Denmark banded together during WWII to rescue nearly all of their Jewish citizens from Nazi persecution by ferrying them just a few at a time to sanctuary in Sweden August 25 1943 A lone bicyclist transports a cache of explosives hidden in a beer crate to a Copenhagen hall being readied to house German troops In a violent blast the would be barracks is reduced to rubble It's the boldest act yet of Holger Danske and the growing Danish resistance combating the oppressiveness of Hitler's Reich In 1940 on its way to conquering Western Europe Germany coerced the Danish government into a cooperative agreement that lasted three long years until the increasing brazenness of the Resistance movement prompted a crackdown Denmark's nearly 8000 Jews who had so far been spared Hitler's wrath now became the focus of his rage A roundup was ordered to begin on October 1st 1943 the first day of the Jewish New Year The only passage to safety was across the Oresund to Sweden But no group existed to organize an escape Until the last moment Sweden didn't agree to allow the refugees into the country and the strait between the two nations was swarming with Gestapo What happened next was a miracle 95% of Denmark's Jews survived the Holocaust the highest percentage in Europe Here are the riveting true accounts of ordinary Danes who using their modest resources wiles remarkable courage and camaraderie quietly orchestrated their escape Among them were Jorgen Kieler and his siblings student activists galvanized by their sense that their government hadn't done enough to prevent the German takeover Henny Sinding the legendary Girl in the Red Hat David Sampolinsky an Orthodox Jew who teamed with a Lutheran school teacher to escort hundreds to safety Niels Bohr the world famous nuclear physicist being rushed to help Oppenheimer build the bomb at Los Alamos who paused on his way to safety to implore the King of Sweden to allow Danish refugees into his country A work of World War II history that reads like a thriller this inspiring chronicle examines why unlike the rest of Western Europe these accomplishments were so uniquely managed by the Danish people even in the face of Nazi occupation and Hitler's growing fixation on the Final Solution *Annual Iowa Year Book of Agriculture* Iowa. Dept. of Agriculture, 1920 Includes proceedings reports statistics etc of different county and district agricultural institutes and societies **The Battle of Manila** Nicholas Evan Sarantakes, 2025 Douglas MacArthur
