Storm of Fortune Austin Clarke,2012-08-07 This is the second book in Austin Clarke s groundbreaking Toronto Trilogy about the lives of black people in Canada In Storm of Fortune Clarke brings us into a circle of West Indian domestics their friends lovers spouses and employers living in Toronto in the late 1950s In lush invigorating prose Clarke illuminates the world of Bernice Leach a world inhabited by earthy garrulous but terribly isolated people all living working and struggling within an alien white Canadian culture He brilliantly articulates the unsettled attitudes of his characters towards themselves their community and their fellow immigrants exploring questions of status and social mobility In turn he unites these themes into a devastating commentary on the quest for success in North America Dominated by warm superbly drawn characters and pulsing with the nation language of Clarke s characters speech Storm of Fortune is a window into one of the most dynamic periods of Canadian history one that has brought so much to bear on our present New and Selected Poems Ted Hughes,2010-11-25 This volume replaced Ted Hughes s Selected Poems 1957 1981 It contains a larger selection from the same period to which are added poems from more recent books uncollected poems from each decade of Ted Hughes s writing life and some new work Another notable feature is the inclusion of poems from his books for younger readers What is the Truth and Season Songs **My Name is Mina** David Almond,2013-11-14 There s an empty notebook lying on the table in the moonlight It s been there for an age I keep on saying that I ll write a journal So I ll start right here right now I open the book and write the very first words My name is Mina and I love the night Then what shall I write I can t just write that this happened then this happened then this happened to boring infinitum I ll let my journal grow just like the mind does just like a tree or a beast does just like life does Why should a book tell a tale in a dull straight line And so Mina writes and writes in her notebook and here is her journal Mina s life in Mina s own words her stories and dreams experiences and thoughts her scribbles and nonsense poems and songs Her vivid account of her vivid life In this stunning book David Almond revisits Mina before she has met Michael before she has met Skellig Shortlisted for the 2012 Carnegie Medal **Legacy of Blood: Chronicles of a Noble Renegade 6** Wesley Wang,2024-07-17 **100 Poets** John Carey,2021-09-14 A wonderfully readable anthology of our greatest poetry chosen by the author of A Little History of Poetry A poem seems a fragile thing Change a word and it is broken But poems outlive empires and survive the devastation of conquests Celebrated author John Carey here presents a uniquely valuable anthology of verse based on a simple principle select the one hundred greatest poets from across the centuries and then choose their finest poems Ranging from Homer and Sappho to Donne and Milton Plath and Angelou this is a delightful and accessible introduction to the very best that poetry can offer Familiar favorites are nestled alongside marvelous new discoveries all woven together with Carey s expert commentary Particular attention is given to the works of female poets like Christina Rossetti and Charlotte Mew This is a personal guide to the poetry that shines brightest through the ages Within its pages readers will find treasured poems that remain with you for life *The Rural*
