Black Cloud The:

Black Cloud Rising David Wright Faladé, 2022-02-15 Already excerpted in the New Yorker *Black Cloud Rising* is a compelling and important historical novel that takes us back to an extraordinary moment when enslaved men and women were shedding their bonds and embracing freedom By fall of 1863 Union forces had taken control of Tidewater Virginia and established a toehold in eastern North Carolina including along the Outer Banks Thousands of freed slaves and runaways flooded the Union lines but Confederate irregulars still roamed the region In December the newly formed African Brigade a unit of these former slaves led by General Edward Augustus Wild a one armed impassioned Abolitionist set out from Portsmouth to hunt down the rebel guerillas and extinguish the threat From this little known historical episode comes *Black Cloud Rising* a dramatic moving account of these soldiers men who only weeks earlier had been enslaved but were now Union infantrymen setting out to fight their former owners At the heart of the narrative is Sergeant Richard Etheridge the son of a slave and her master raised with some privileges but constantly reminded of his place Deeply conflicted about his past Richard is eager to show himself to be a credit to his race As the African Brigade conducts raids through the areas occupied by the Confederate Partisan Rangers he and his comrades recognize that they are fighting for more than territory Wild's mission is to prove that his troops can be trusted as soldiers in combat And because many of the men have fled from the very plantations in their path each raid is also an opportunity to free loved ones left behind For Richard this means the possibility of reuniting with Fanny the woman he hopes to marry one day With powerful depictions of the bonds formed between fighting men and heartrending scenes of sacrifice and courage *Black Cloud Rising* offers a compelling and nuanced portrait of enslaved men and women crossing the threshold to freedom

The Tools Phil Stutz, Barry Michels, 2012-05-29
NEW YORK TIMES BESTSELLER Change can begin right now Learn to bring about dynamic personal growth using five uniquely effective tools from psychotherapist Barry Michels and psychiatrist Phil Stutz subject of the Netflix documentary *Stutz* These tools are emotional game changers They do nothing less than deliver you to your best and most powerful self Kathy Freston author of *Quantum Wellness* How long does therapy take *The Tools* offers a solution to the biggest complaint patients have about therapy the interminable wait for change to begin The traditional therapeutic model sets its sights on the past but psychiatrist Phil Stutz and psychotherapist Barry Michels employ an arsenal of techniques the tools that allow patients to use their problems as levers that access the power of the unconscious and propel them into action Suddenly through this transformative approach obstacles become new chances to find courage embrace discipline develop self expression deepen creativity A dynamic results oriented practice *The Tools* aims to deliver relief from persistent problems and restore control and hope right away Every day presents challenges big and small that the tools transform into opportunities to bring about bold and dramatic change in your life Stutz and Michels teach you how to *Get Unstuck* Master the things you are avoiding and live in forward motion *Control Anger* Free yourself from out of control rage and never ending

grudges Express Yourself Learn the secret of true confidence and find your authentic voice Combat Anxiety Stop obsessive worrying and negative thinking Find Discipline Activate willpower and make the most of every minute With The Tools Stutz and Michels allow you to realize the full range of your potential Their goal is nothing less than for your life to become exceptional exceptional in its resiliency in its experience of real happiness and in its understanding of the human spirit

Flash MX F.R. Heathcote,2005-02 This is a straightforward introduction to Macromedia Flash MX 2004 It will be helpful for courses with multimedia module covering graphics animation sound and video It will show students how to produce a multimedia presentation on CD
