**Black Adult Development and Aging** Reginald Lanier Jones, 1989      **Human Behavior in the Social Environment from an African American Perspective** Letha A See, 2013-04-03

In Human Behavior in the Social Environment from an African American Perspective leading black scholars come together to discuss complex human behavior problems faced by African Americans and to force the abandonment of conceptualization theories made without consideration of the Black experience Challenging you to engage in different thinking and develop new theories for addressing the needs of African Americans this book highlights the assets of black individuals families and communities and guides you through program interventions and public policies that strengthen and empower African Americans You will learn to enhance your clients coping strategies and resilience by factoring in their strengths rather than focusing on their weaknesses Human Behavior in the Social Environment from an African American Perspective contextualizes community behavior patterns gender roles and changing contemporary identities to challenge your assumptions about African American culture and communities and convince you to rethink your intervention strategies and methods To further help you fine tune your service delivery this book leads you through discussions on help seeking behaviors of young street males the association of sociocultural risk factors with suicides the use of emotive behavior therapy to help African Americans cope with the prospect of imminent death advocating for changes in institutions and systems which negatively impact the lives of the poor and the oppressed how social work has ignored one segment of the African American community young girls in urban settings psychological consequences of coming of age in a hostile environment Social workers community based groups policymakers and other helping professionals owe it to their clients to shrug off culturally incompetent services and care Using Human Behavior in the Social Environment from an African American Perspective as a guide you will learn to redress your programs and policies with a sensitivity to the factors and mechanisms that maximize the buoyancy of disadvantaged groups over various stages of their life development

**African American Daughters and Elderly Mothers** Sharon Hines Smith, 2021-12-12 First published in 1998 The death of an elderly person and its impact on an adult child is considered so normal that it has attracted scant attention This study attempts to fill that gap by examining a specific slice of a specific ethnic group and looking at the meaning of elderly mothers deaths for their adult African American daughters from the perspective of those daughters

**Counseling African American Marriages and Families** Edward P. Wimberly, 1997-01-01 Important questions face any pastoral counselor when working with African American couples and families Edward Wimberly focuses on the religious worldview that African Americans bring to their understanding of marriage and family so that the counselor can learn the assumptions behind the presenting problems Wimberly's treatment examines the social context of African American families the separate issues for men and women intergenerational factors the impact of the life cycle sexuality affairs and abuse This wide ranging book is exceptionally practical for all pastoral caregivers The purpose of the Counseling and Pastoral Theology

series is to address clinical issues that arise among particular populations currently neglected in the literature on pastoral care and counseling This series is committed to enhancing both the theoretical base and the clinical expertise of pastoral caregivers by providing a pastoral theological paradigm that will inform both assessment and intervention with persons in these specific populations

**The Oxford Handbook of Reciprocal Adult Development and Learning** Carol Hoare,2011-09-06 One of the Best Books of 2011 from the Center for Optimal Adult Development The fields of adult development and the study of learning have traditionally been considered separate with development falling under psychology and learning under education However recent ideas research and practices that have emerged in these fields of study effectively emphasize the inherent reciprocal relationship that exists between them advances in development frequently lead to learning and conversely learning almost necessarily fuels development In this second edition of The Oxford Handbook of Reciprocal Adult Learning and Development the synchronicity between development and learning is explored further as expert authors advance the latest theories to provide a rich foundation for this new area of study and practice for this interrelated field of study At the border of two disciplines this handbook focuses on the capacities of intelligence meta cognition insight self efficacy spirituality interpersonal competence wisdom and other key adult attributes as they relate to positive changes and personal growth in adults Contexts for development and learning e g the work role and environment are also addressed and mixed in throughout the volume are emanating implications for research practice and policy What emerges is a thoughtful handbook for all who promote optimal aging and is a must read for academics psychologists and practitioners in adult development
