The Frenchman beside me had been dead since dawn. His scarred and shackled body swayed limply back and forth with every sweep of the great oar as we, his less fortunate bench fellows, tugged and strained to keep time to the stroke. Two men had I seen die beside me, yet Death ever passed me by; nay, it seemed rather that despite the pain of stripes, despite the travail and hardship, my strength waxed the mightier upon arm and thigh, burnt nigh black by fierce suns, the muscles showed hard and knotted within my body, scarred by the lash, the life leapt and glowed, yet was the soul of me sick unto death. But it seemed I could not die, finding thereby blessed rest and a surcease from this agony of life, as had this Frenchman, who of all the naked wretches about me was the only one with whom I had any sort of fellowship. He had died, as I say, with the dawn, so quietly that at first I thought he but

fainted and pitied him but when I knew pity changed to bitterness Therefore as I strove at the heavy oar I prayed twixt gnashing teeth a prayer I had often prayed and the matter of my praying was thus O God of Justice for the agony I needs must now endure for the bloody stripes and bitter anguish give to me vengeance vengeance O God on mine enemy *Black Bartlemy's Treasure* Jeffery Farnol,2017-05-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Black Bartlemys Treasure* Jeffery Farnol,2016-03-20 Jeffery Farnol 10 February 1878 9 August 1952 was a British writer since 1907 until his death known for writing more than 40 romance novels some formulaic and set in the Georgian Era or English Regency period and swashbucklers He with Georgette Heyer founded the Regency romantic genre **Black Bartlemy's Treasure (Classic Reprint)** Jeffery Farnol,2015-07-02 Excerpt from *Black Bartlemy's Treasure* The Frenchman beside me had been dead since dawn His scarred and shackled body swayed limply back and forth with every sweep of the great oar as we his less fortunate bench fellows tugged and strained to keep time to the stroke Two men had I seen die beside me yet Death ever passed me by nay it seemed rather that despite the pain of stripes despite the travail and hardship my strength waxed the mightier upon arm and thigh burnt nigh black by fierce suns the muscles showed hard and knotted within my body scarred by the lash the life leapt and glowed yet was the soul of me sick unto death But it seemed I could not die finding thereby blessed rest and a surcease from this agony of life as had this Frenchman who of all the naked wretches about me was the only one with whom I had any sort of fellowship He had died as I say with the dawn so quietly that at first I thought he but fainted and pitied him but when I knew pity changed to bitterness Therefore as I strove at the heavy oar I prayed twixt gnashing teeth a prayer I had often prayed and the matter of my praying was thus Oh God of Justice for the agony I needs must now endure for the bloody stripes and bitter anguish give to me vengeance vengeance O God on mine enemy About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *BLACK BARTLEMYS TREAS* Jeffery 1878-1952
