## **Black Cargoes:**

**Black Cargoes** Daniel Pratt Mannix, 1962 This is the story of how the Negro colonists were brought to the two Americas as the result of a gigantic commercial operation that changed the history of the world By a conservative estimate the operation cost between thirty and forty million lives It produced enormous fortunes which helped to finance the industrial revolution in England and France but in Africa it produced nothing but misery and social disintegration In America it gave rise to the plantation system the maritime trade of New England and the Civil War **Black Cargoes** tells how the operation started in the newly settled Spanish island of Hispaniola how it rapidly expanded after 1650 with the growth of large scale sugar planting how it reached a climax in the eighteenth century how the trade was legally abolished by Great Britain in 1807 how it persisted in spite of Her Majesty's Navy and how it ended after 1865 The book also tells where the Negroes came from how they were enslaved how they were purchased by sea captains how they were packed into the hold like other merchandise but with greater losses in transit and how the survivors were sold in the West Indian and American markets It is a story of greed violence daring and incredible callousness involving as actors or victims white men and black men alike Sir John Hawkins and the King of Dahomey American merchant princes Queen Elizabeth I Thomas Clarkson the great reformer and the diabolical Captain Canot as well as the horrors of the Middle Passage the dividends of Lancashire cotton mills and the heroism of the British Navy The slave trade left us a rich heritage in music art science literature and American citizens It also inflicted wounds that are still unstanched Jacket *Black Cargoes* Daniel P. Mannix, Malcolm Cowley, 2025-05-06 A carefully understated but chilling account of the whole 3 1 2 centuries during which 15 million Africans were snatched from their homes and delivered into slavery in the New World Time In 1518 the Atlantic slave trade began with the landing in the West Indies of the first enslaved people directly from Africa These were the victims of a forced migration that was more callous and immensely larger in the end than any other such movement of modern or ancient times Written in 1962 **Black Cargoes** attempts to tell where these exploited people came from how they were enslaved in Africa how they were purchased by sea captains how they were packed into the hold like merchandise although with greater losses in transit and how the survivors were sold in West Indian and American markets Author Daniel P Mannix brings the horrifying spectacle to life devoting attention to the engrossing and often fatal adventures of sea captains smugglers African agents and sailors But he never wavers from delivering a clear and frightening record of man's ability to allow the lust for money to deaden his sensibilities *The Journal of African American History* Both fascinating and horrifying It embodies the most careful research and it also possesses literary charm Allan Nevins Pulitzer Prize winning author A sound book on a rich subject it is the long needed single volume covering all the salient angles of the evil old trade *The New York Times Book Review* It translates the slave trade from statistics and conclusions into the sum total of individual human experiences *Los Angeles Times* **The Power to Die** Terri L. Snyder, 2015-08-28 Acts of suicide by enslaved people carried significant cultural legal and political

implications in the emerging slave societies of British America and later the United States This study features a wide range of evidence from ship logs and surgeon s journals legal and legislative records newspapers periodicals novels and plays abolitionist print and slave narratives in order to consider the intimate circumstances cultural meanings and political consequences of enslaved peoples acts of self destruction in the context of early American slavery **On the Stowage of Ships and Their Cargoes** Robert White Stevens,1878 **Power in the Blood?** JoAnne Marie Terrell,2005-09-01 Can the gospel message of the Atonement have a liberative message for black Christians Is there indeed power in the blood of Jesus This study of the meaning of the cross in the African American religious experience is both comprehensive and powerful comprehensive because it explores the meaning of the cross symbol of suffering and sacrifice from the early beginnings of Christianity through modern times and powerful because it is written by a black woman who has experienced abuse and the oppression of field work Racism and the Image of God K. Teel,2010-11-22 From her perspective as a white feminist theologian Karen Teel dialogues with five womanist thinkers to develop a Christian theology of the body that can compel Christians especially U S Christians of European descent to actively resist the sin of racism **London Grain, Seed, and Oil Reporter** ,1928 **Film Year Book** ,1938 **Blacks in Colonial Veracruz** Patrick J. Carroll,2001-05-15 Beginning with the Spanish conquest Mexico has become a racially complex society intermixing Indian Spanish and African populations Questions of race and ethnicity have fueled much political and scholarly debate sometimes obscuring the experiences of particular groups especially blacks Blacks in Colonial Veracruz seeks to remedy this omission by studying the black experience in central Veracruz during virtually the entire colonial period The book probes the conditions that shaped the lives of inhabitants in Veracruz from the first European contact through the early formative period colonial years independence era and the postindependence decade While the primary focus is on blacks Carroll relates their experience to that of Indians Spaniards and castas racially hybrid people to present a full picture of the interplay between local populations the physical setting and technological advances in the development of this important but little studied region *The Economist* ,1871 Oil Tanker Cargoes John Lamb,1954 **George Broomhall's Corn Trade News** ,1910 **The New York Lumber Trade Journal** ,1916 *Harper's Young People* ,1884 **Fourth Estate** ,1926 **Adventures of an African Slaver** Theodore Canot,Brantz Mayer,1928 **Two Trips to Gorilla Land and the Cataracts of the Congo** Sir Richard Francis Burton,1876 **And Jesus Spoke on Youtube** Frederick Douglas Harper,2014-04-25 And Jesus Spoke on YouTube is a book of poetry and creative prose It continues author Harpers warnings and benevolent messages on themes of social justice peace love spirituality human nature relationships natural beauty holistic health climate change and the threat of premature human extinction Featured titles within the book include And Jesus Spoke on YouTube Mandela Stop the Killing Black Man in a Red Shirt and Educating Our Children And Jesus Spoke on YouTube the longest poem at 12 pages speaks to the true mission of Jesus as a teacher and healer and it reminds us to live a life based upon Jesus teachings of love giving
