History of Chinese Political Thought, Volume 1 Kung-chuan Hsiao,2015-03-08 This volume launches the translation of a work that describes the development of Chinese political thought from the time of Confucius in the late Chou era into the twentieth century The author systematically treats leading thinkers schools and movements displaying a consummate mastery of traditional Chinese learning and of Western analytical and comparative methods This first complete translation includes prefatory remarks by Kung chuan Hsiao and notes prepared by the translator to assist the Western reader Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Chinese Political Thought. : a Study Based Upon the Thories of the Principal Thinkers of the Chou Period Elbert Duncan Thomas,1968

A History of Chinese Political Thought Youngmin Kim,2018-03-16 China s rapid rise as a regional and global power is one of the most important political developments of the twenty first century Yet the West still largely overlooks or oversimplifies the complex ideas and ideals that have shaped the country s national and international transformation from antiquity to the present day In this beautifully written introductory text Youngmin Kim offers a uniquely incisive survey of the major themes in Chinese political thought from customary community to empire exploring their theoretical importance and the different historical contexts in which they arose Challenging traditional assumptions about Chinese nationalism and Marxist history Kim shows that China does not have a fixed single identity but rather is a constantly moving target His probing interdisciplinary approach traces the long and nuanced history of Chinese thought as a true tradition anchored in certain key themes many of which began in the early dynasties and still resonate in China today Only by appreciating this rich history he argues can we begin to understand the intricacies and contradictions of contemporary Chinese politics economy and society **A Brief History of Chinese**

Political Thought Paky Chen,1971 *History of Chinese Political Thought* Liang Chi-Chao,2017-07-12 This is Volume III of six in a series on Ethics and Political Philosophy Originally published in 1930 this takes the early Tsin period and looks at the history of Chinese political thought It is based on the notes of lectures which Mr Liang Chi Chao delivered first at the College of Law and Politics in Peking and later at South eastern University and the College of Law and Politics in Nanking during the year 1922 *History of Chinese Political Thought During the Early Tsin Period* Qichao Liang,1930 *Chinese Political*
