Chiropractic The Superior Alternative:

Chiropractic William H. Koch, 1995 An invaluable help book for people in pain with dramatic case histories of real people The Neck Pain Guide George M. Ghobrial, 2020-07-20 Dr George M Ghobrial s handbook for neck pain encompasses all aspects of diagnosis and care of acute and chronic neck pain early and late management resources facilities physicians and other healthcare providers and their roles medication physical therapy imaging as well as surgical and nonsurgical treatments The Neck Pain Guide follows the recently published book of the Spine Health Learning Series The Low Back Pain Guide 2019 with the goal to answer the most common questions encountered in the clinic and emergency department about neck pain Using over 60 illustrations Dr Ghobrial introduces the anatomical and clinical issues related to degenerative disorders of the spine in a clear manner explaining many terms such as disc herniations spondylosis degenerative disc disease radiculopathy and more Topics include common diagnostic imaging techniques such as X ray CT MRI as well as spinal injections physical therapy electrodiagnostic testing discectomy foraminotomy laminotomy fusion disc replacement scoliosis bracing minimally invasive surgery endoscopic surgery laser spine surgery and other emerging topics such as stem cell injections and more Suffering From Acute Neck and Arm Pain Overwhelmed by the vast treatment options and not sure which to start with or where to go The Neck Pain Guide is a unique and comprehensive reference to assessing acute neck pain Learn about concerning red flag symptoms understand the available resources and learn commonly avoidable options such as opiates and early imaging and invasive pain treatments Nearly 100 of the most common questions asked by patients in the clinic are answered in a clear manner including over 200 references for easy review Dr Ghobrial reinforces a system that may help patients organize and guide their own care more efficiently limit redundancy and waste and expedite their journey to alleviate pain Moreover this guidebook teaches a basic process to confidently assess the evidence behind healthcare and advertising treatment claims including research These techniques for organization and rapid assessment are useful not only with neck pain but for any aspect of care and also for the rapid emergency of new technologies and treatments ultimately building confidence in managing one s own healthcare This book is ideal for all audiences interested in learning more about the basics of neck pain management modern healthcare treatments and a strategy to get better Having a medical background is not necessary to understand this book as the goal of this work is to educate patients and provide them with all the information in the same place and to organize that information into a question and answer reference Since not everyone has the precious free time to read lengthy nonfiction books on a single technical subject this book is organized to allow for questions and topics to be more rapidly found among the table of contents and index directing the reader to a helpful explanation and illustration Despite being a highly prevalent healthcare problem in North America also worldwide there are no comprehensive patient centered books that cover the full scope of modern back pain management which was the motivation for providing the Low Back Pain and Neck Pain Guides Also unlike the majority

of patient centered educational materials a truly unique perspective is shared which is that of a neurosurgeon with expertise and fellowship training in spinal surgery This book will emphasize non surgical treatments since they comprise the majority of spinal care The author is a fellowship trained spinal surgeon and neurosurgeon with an interest in public health and education With that in mind this book is for patients who wish to demystify neck and low back pain critically assess their healthcare options and maximize informed decision making

[The Journey Through Cancer](#) Jeremy R. Geffen,2000 The Journey Through Cancer is an essential guide for all cancer patients their families and their loved ones As a board certified oncologist with more than ten years of experience serving as physician guide mentor coach and friend to thousands of cancer patients and their families Dr Jeremy Geffen has learned how cancer often challenges the mind heart and spirit of patients and their families as deeply if not more deeply than it challenges the physical body Yet this simple

truth is often overlooked by Western medicine as it aggressively pursues the best ways to diagnose and treat cancer Too often physicians focus almost exclusively on the physical dimensions of the disease rather than caring for the whole person who has the disease Dr Geffen presents a groundbreaking seven level program used at his cancer center in Florida that addresses every dimension of the person with cancer physical mental emotional and spiritual Education and Information giving patients answers to questions about their disease and their treatment options Psychosocial Support focusing on the need for and benefits of a strong support network The Body as Garden exploring the vast array of alternative and complementary therapies Emotional Healing helping patients and families deal with the often overwhelming emotional challenges of cancer The Nature of Mind exploring how patients thoughts and beliefs profoundly influence their journey Life Assessment showing patients how to discover their life s deepest meaning and purpose The Nature of Spirit connecting patients to the profoundly healing spiritual aspect of life we all share In The JourneyThrough Cancer Dr Geffen presents a revolutionary model of healing based on the best treatments available from every culture and paradigm of medicine one that respects and explores every possible avenue and resource for healing and transformation blending East and West body and mind heart and technology science and spirit
