Selbie, Louis Herbert Gray**

Choice Of Victims:

Victors and Victims K R Harrison, 2014-12-09 Victors some dwell on the past and some on the future Our core passions dictate how we communicate and what messages and beliefs we listen to and follow When you understand your own core passions as well as those of the people around you you can communicate successfully and form powerful relationships filled with joy and promise And how you understand yourself God and your passions will determine whether you live your life as a victim always wanting and taking more or a victor joyously giving more thus receiving more In this book Ken Harrison draws from his powerful experiences fighting violent criminals as a police officer in Los Angeles running and selling international companies and his 24 year marriage to his high school sweetheart in order to give the keys to turning ambition into success

A Restorative Approach to Family Violence Anne Hayden, Loraine Gelsthorpe, Allison Morris, 2016-03-16 This volume provides an essential update on current thinking practice and research into the use of restorative justice in the area of family violence It contains contemporary empirical theoretical and practical perspectives on the use of restorative justice for intimate partner and family violence including sexual violence and elder abuse Whilst raising issues relating to the implications of reporting it provides a fresh look at victims issues as well as providing accounts of those who have participated in restorative justice processes and who have been victims of abusive relationships Contributions are included from a wide range of perspectives to provide a balanced approach that is not simply polemic or advocating Rather the book genuinely raises the issue for debate with the advantage of bringing into the open new research which has not been widely published previously Given its unique experience in the development of restorative justice the book includes empirical studies relating to New Zealand contextualized within the global situation by the inclusion of perspectives on practices in the UK Australia and North America This book will be key reading for people who work with violent offending of a family nature as well as for those who are interested in the study of family violence

Fundamental Principles of Law and Economics Alan Devlin, 2014-10-17 This textbook places the relationship between law and economics in its international context explaining the fundamentals of this increasingly important area of teaching and research in an accessible and straightforward manner In presenting the subject Alan Devlin draws on the neoclassical tradition of economic analysis of law while also showcasing cutting edge developments such as the rise of behavioural economic theories of law Key features of this innovative book include case law directives regulations and statistics from EU UK and US jurisdictions are presented clearly and contextualised for law students showing how law and economics theory can be understood in practice succinct end of chapter summaries highlight the essential points in each chapter to focus student learning further reading is provided at the end of each chapter to guide independent research Making use of tables and diagrams throughout to facilitate understanding this text provides a comprehensive overview of law and economics that is ideal for those new to the subject and for use as a course text for law and economics modules

Violence Goes to College Christopher Bollinger, Rebecca

Flintoft, John Nicoletti, Sally Spencer-Thomas, Mariya Dvoskina, 2018-06-14 This updated and expanded new edition continues the theme of the second edition that presents a framework by which the reader can gain a broader and deeper understanding of the issues involved with campus violence incidents In order to understand the current state of campus violence two sources of information must be considered the factual and the theoretical The editors of this book bring together a powerful team of practitioners and scholars from across multiple disciplines to discuss the critical elements associated with campus violence With the rise of public protest and civil unrest this book provides a detailed examination of prevention intervention and long term responses to campus violence Divided into four parts Part I guides the reader in understanding violence and how it impacts college campuses Facts theories institutional culture and threats of violence are included Part II explores how campuses can invest in human infrastructure prevention policies safety strategies intervention and response efforts to make campuses safer Part III covers the ways in which college violence occurs within the context of the law alcohol social media and speakers including speech and protest Part IV discusses the specific strains of gender based violence suicide hate crimes hateful violence cyberbullying hazing kinetic insider violence and mass shootings High profile cases provide many examples of catalyst events that changed the paths for institutions of higher education This user friendly resource provides college personnel students and parents with directed well researched strategies to prepare for the possibility of tragedy before it strikes This unique text will be a valuable tool for college administrators journalists psychologists law enforcement personnel and attorneys
