**Choose Love** Stormie Omartian, 2014-09-01 Stormie Omartian's bestselling books on the power of prayer have touched millions of lives. Recent books have taken a closer look at the leading of the Holy Spirit and the call to be a prayer warrior for God. Now Stormie takes a fresh look at another powerful aspect of knowing our Creator: His amazing and great love for us. We reflect God most clearly when we are motivated by the power of love in all we say and do. But first we have to understand the depth of God's love for us and receive it. Then we must learn how to effectively express our love for Him. One of the many ways we can show our love to God is to deliberately choose to show love to others and in every situation, says Stormie. We can only accomplish this with the guidance and enablement of the Holy Spirit. When we do that, God blesses us and transforms our lives in ways we cannot even imagine. And we will have a sense of God's pleasure toward us that is far more valuable than anything else we may desire. This book is about making that sometimes difficult choice and the rewards that follow. Transform your heart, your relationships, and your future as you press into God's love and let the power of His life and character move through you.

**The Seven Levels of Intimacy** Matthew Kelly, 2005-11 We All Crave An Authentic Experience Of Intimacy. Though our hearts crave intimacy, though our minds understand our deep need for it, the self-revelation it requires is often too daunting a task. Complete and unrestrained sharing of self exposes the deepest human fear of being rejected for being ourselves. In *The Seven Levels of Intimacy*, Matthew Kelly both acknowledges and calms our fears while teaching us how to move beyond them to experience the power of true intimacy. Matthew reveals that each relationship is built upon a pattern of interaction. In the beginning stages, we rely on casual interactions, gaining familiarity by focusing on superficialities and facts. We grow closer and begin to share our opinions, learning to accept each other and embrace the growing relationship despite the difference in our experiences and viewpoints. Once our differences and opinions are shared and accepted, we feel safe enough to reveal our hopes, dreams, and feelings, developing trust. With this trust, we open ourselves and are able to share our legitimate needs, becoming liberated from carrying the burden of our real needs alone. At last, we are deeply intimate and both willing and able to reveal our deepest fears. We are beyond judgment and feel trust and acceptance. By moving through and building upon each level of intimacy, we find comfort and gain trust in our partners and ourselves until, by developing and deepening our intimacy within each level, we are able to fully open ourselves, finally opening to the possibility of truly being loved. It is through mastering the seven levels of intimacy that we will break through to fully experiencing love, commitment, trust, and happiness. *The Seven Levels of Intimacy* is a brilliant and practical guide to creating and sustaining intimacy, whether you are looking for a deeper sense of connection with your spouse, looking for more fulfillment in your relationship with your boyfriend or girlfriend, trying to improve your relationships with your children, or simply wondering what you should be looking for in a partner. With profound insight and the use of powerful everyday examples, Matthew Kelly explains how we can nurture the intimacy in our relationships. *The Seven Levels of Intimacy* redefines how we view our interactions.

with others This new understanding leads us to successfully create the strong connections deep joy and lasting bonds that we all long for *From the Heart of Me* Ethel Glenn,2012-05-31 We experience situations in many different variances verities aspects and levels Here is a scenario of you lying in the bed and it s extremely cold You do not want to leave your comfort zone You are very hungry and ten feet away from you on the table is an apple You want to get up and get the apple but it s just too darn cold So you go within and contemplate the different options you have of getting that apple without leaving your comfort zone Now lets look at the options youve made 1 You can get up from your comfort zone and get the apple 2 You can wait until someone come into the room and ask them for it 3 You think I ll ask God to give it to me and thats ok but lets examined this one So you think to yourself it would be great if God would answer me by giving me that apple after all He did say that whatever you ask for you can have Now lets look at what happens in Heaven God is delighted that you have raised your awareness a tiny bit He is overjoyed because you have given him an opportunity to help you grow closer to him and closer to recognizing who you truly are So He calls all of heaven to your exhorted request He tells your spiritual guides I want you to keep him wondering about that suggestion he has made and angelic beings I want you to help him learn of me from the outside of himself Also try to see if he will accept the teachings of Jesus Buddha Mohamed or can he truly just believe from his heart so that he may have some hard material to refer to if he falls into doubt We got to teach him that God s life is ruled by law and order and he must work with Me to make his request available to him He must believe and have faith and he must trust that I am He and he is Me and that there is nothing he can t have if he would only align his beliefs with mine We tend to think that God will help us if we are good enough and so that s what you get being good enough and struggle burdened down emotionally and when trials and tribulations occur you automatically think you did something that displeased your God Look God is not much concern with your worldly affairs He is concern with your soul and you getting to know who you truly are so that you can know who He truly is It is God s will that you call forth whatever you want But you can t have it if you don t renew your minds and think like him however know yourself so that you can create like him and know what exactly it is you want so that you can eventually come home to Him But when she realized what it would take to call the apple forth She loss all hope and threw the blankets around herself tightly and went to the table and got the apple for herself Too bad another missed opportunity for her to experience God s Magnificence and Abundance **May You Be Well** Cheryl Rickman,2021-06-03 May You Be Well is a collection of prayers and blessings for non believers believers in something or someone and believers in everything or nothing Just everyday good vibes for health happiness and hope Most of us pray when things get tough Most of us don t have a religion or a god We just pray We pray that our friends are safe we pray that our earth will heal we pray for help We re asking our inner selves a higher being the cosmic or the divine to guide us Sometimes we just need an affirmation to help ourselves through a bad day and sometimes we need some help coming up with the right words to manifest good fortune for ourselves and the world around us Putting our feelings and desires into

words is a key part of many spiritual practices because it helps us centre ourselves and set our intentions Prayers affirmations and blessings help us express positive emotions hold space for challenging ones and call out to the universe for the intangible things we're seeking such as love grace and hope May You Be Well has passages for every need including Expressing gratitude and grief Summoning positive emotions such as hope joy or courage Coping with adversity Asking for help and finding reassurance Holding space for others Celebrating friendship Manifesting good fortune Wishing others well Our spiritual lives might all look a bit different but we don't need to invoke any specific faith to share words of kindness because wishing each other well with open hearts is something we all have in common *How to Make Feeling Good Your Priority* Holly Rouillard Johnson, 2021-02-10 Holly Rouillard Johnson's path to make feeling good a priority manifested in her childhood and high school years She discovered running which led her on a twenty seven time marathon journey starting at age thirty four She credits her accomplishments in racing and life to her feel good mentality including a proven formula on sustaining a feel good state for as long as possible both along marathon courses and life's paths Throughout the years her commitment to feeling good led her to coaching and helping others adapt more positive mindsets and helping her heal and overcome injuries and balance the demands of professional and running careers along with family and other interests It also fueled her courage to deal with adversity as an athlete and in life This feel good commitment enables her to embrace every setback as an opportunity to learn grow and evolve principles and practices she shares in *How to Make Feeling Good Your Priority* Shifting the law of attraction in a positive direction Johnson gives practical advice guiding you in making the right choices and shifting how you approach your day by thinking and focusing on what will make you feel good and happy Johnson insists you can choose how you want to feel around your kids your spouse at work at the gym on a run or simply how you approach each day When you feel good the world seems like a better place **Songs for Kings and Sparrows** Diego LLisebir, 2012-09-30 I believe poetry should be a higher form of expression than normal dialogue I believe that poetry should at the very least give a clear expression of the artist's point of view to the reader It should be able to establish a sense of understanding and common experience between the artist and the reader And I believe that poetry should inspire hope in the creation of a better reality the ideal reality that lives in each person's imagination *Sinfire* Julian Hawthorne, 1886 **The New Voice in Race Adjustments** Arcadius McSwain Trawick, 1914 *All Else Failed* Dana Sachs, 2023-03-21 Dayton Literary Peace Prize Finalist Clara Johnson Award Finalist As hundreds of thousands of displaced people sought refuge in Europe the global relief system failed This is the story of the volunteers who stepped forward to help In 2015 increasing numbers of refugees and migrants most of them fleeing war torn homelands arrived by boat on the shores of Greece setting off the greatest human displacement in Europe since WWII As journalists reported horrific mass drownings an ill prepared and seemingly indifferent world looked on Those who reached Europe needed food clothing medicine and shelter but the international aid system broke down completely *All Else Failed* is Dana Sachs's compelling eyewitness
