Choosing Jesus:

Choosing Christ Evelyn Collins, 2022-01-27 When you study and believe the promises of Jesus God changes into endless peace and gratitude the plunging emotions that overwhelm and crush your spirit Are your daily trials of loss isolation and frightening thoughts destroying or rendering you powerless What you choose to believe about fleeting ideas in your head controls whether you feel defeat instead of walking in victory What is and how do you obtain love peace and joy that is constant regardless of circumstances Solitude with and focus on Christ places within your spirit the confidence to relax in his care Your old soul is free of all the pent up anxiety and worries of this world A new sense of calm and wholeness enters and guides you This devotional contains real life accounts of how the author overcame defeat and accepted the grace of God to stand against obstacles When you seek God he begins to transform you into his image Even though you live in a lost and confusing world void of peace there is the peace that he places within you God promises to ignite hope and fill each person with his love that accepts Jesus *Chosen by God by Choosing Jesus Revisited* DR PETER. CHANG, 2018-02-15 Have you ever wondered why the world seems to be moving further away from the Gospel every year It is not because the Word of God has failed It is not because it was meant to be It is not because God arranged it as such It is because we the messengers have failed We the church is the one who is standing in the way of completing Gods joy of the massive worldwide revival where all the inhabitants of the world joyfully confess that Jesus is the Lord and the Savior of all people We the church must get back to the core message of the Gospel that has been slowly lost since the first hundred years of the explosive growth since the Day of the Pentecost The Gospel message of and for everyone must be regained and energized among all churches The core truth of the Gospel that God loves all his children both the lost and the found and is calling everyone to receive the promised Holy Spirit through faith in our Lord and Savior Jesus Christ must be restored to regain the lost momentum since the inception of the church two thousand years ago Every form of humanistic determinism and segregating theology must be stripped away from the Gospel of our Redeemer We will explore various passages of the Bible that enlightened wise men of the past and the present have veiled the absolute loving power and hopeful faith of our Heavenly Father We will discover that every passage of the Holy Scriptures points clearly to the hope of his calling for all and to the golden chain of blessing to all simply because God is love and God is mighty We will explore Pauls masterful delineation of the Gospel of Jesus Christ the Epistle to Galatians Paul will teach us that faith is knowing the grace of Jesus Christ for faith is simply knowing that we are loved by our Savior And finally we will take an intimate stroll with our Creator our Sustainer and our Savior Jesus as we meditate the Gospel according to Apostle Matthew I pray that the respected readers and I can together come to know our savior in a deeply personal way I invite every potential believer to get ready to fall in love with Christ for the very first time for his first love is the last love you will ever need I also invite every believer to brace him or herself to fall in love with Christ all over again I invite everyone to meet the man I myself just cannot help but fall in love with over and over again I pray that

all the churches of the world may come together and collectively live the life predestined by our Heavenly Father I pray that we may live the blessed and joyful life of living our identity to the fullest and complete the joy of our Heavenly Father

Chosen by God by Choosing Jesus Peter Chang,2017-04-18 Are you a newlywed or is your child asking you for a baby brother or sister If you believe in Calvinism you have to think really hard before making a decision to have a baby It is Russian roulette with eternal consequence It teaches that God creates humans for two distinct purposes When each baby comes out of the mother s womb the chosen baby receives a one way ticket to heaven while the damned baby receives a one way ticket to hell This fate was decided an infinity ago by God and he will never change his mind If such teaching is correct the parents to be had better make sure they know the future of their baby s sealed destination before they get romantic Calvinism has been the most dominant doctrine of conservative Christianity for the past five hundred years It teaches that Jesus Christ died and shed blood for only a chosen few Is this really what the Scripture teaches us Has eternal life or death already been predetermined for you and me by the perfect and pleasurable will of the absolute ruler of the universe and beyond Does our free will to choose matter after all in the Calvinistic world of deterministic fatalism And ultimately is such a God good We will tackle the mystery of where and how God s sovereign determinism and human freedom to choose intertwine in lieu of the literal and plain teachings of the Holy Scriptures We will finally be able to understand after five hundred years the most misunderstood word in the whole Scripture chosen *An Actological Theology* Malcolm

Torry,2024-05-30 An actology introduced by the first book in this series Actology Action Change and Diversity in the Western Philosophical Tradition understands reality as action in changing patterns Actological Readings in Continental Philosophy reads a number of continental philosophers through this lens and An Actology of the Given explores the concepts of the gift givenness and giving in the light of reality understood as action in changing patterns Mark s Gospel An Actological Reading is what it says it is An Actological Metaphysic is a more systematic treatment of cosmology and of such concepts as truth knowledge causality time space life and society to see what happens when they are understood actologically that is with reality understood as action in changing patterns An Actological Theology similarly asks what Christian theology might look like if God the universe ourselves and everything else is understood as action in changing patterns *Fundamentals of Evangelism* Dag Heward-Mills,2016-06

The church must send or it will end This is a handy evaluation of evangelism It contains clear steps to achieving fruitfulness through evangelism Discover the biblical wisdom of winning souls This manual is an invaluable guide on how to evangelize the world Receive clear instruction on applying the keys of persistence and shamelessness in God s work and find out how to break out of comfort zones in order to reach the lost This manual presents an urgent call to evangelize the world
