Choosing Joy:

Choosing Joy Dan Lord,2012-11-15 What is joy Ask ten different people and you ll get ten different answers Yet if you asked a man who grew up fatherless and destitute in the slums of Atlanta a young widow who decided to bring a neglected garden back to life in spite of agonizing physical pain and a deeply wounded spirit or author Dan Lord himself ex frontman for a popular indie rock band each would point to the one source of their joy Jesus They made the choice for joy against all odds and so can you though the obstacles might seem insurmountable Worry and anxiety pain and suffering the daily grind all these and more can block your path When faced with such challenges is it possible to get past the barriers let go and experience God s joy When you look around you might wonder although joy is a fruit of the Spirit it doesn t seem to be hanging visibly from many Christian boughs Choosing Joy aims to change that and change your life in the process as it helps you discover the key to this most attractive but seemingly elusive gift Choosing Joy will help you overcome the obstacles and focus your heart mind and strength on God so that you can receive the happiness and peace that the world cannot give

Choosing Joy Angela Thomas,2011-12-06 A daily devotional to help you find joy and happiness in every circumstance based on God s word This 52 week devotional helps readers discover the ever illusive quality of joy Bestselling author Angela Thomas draws from her vast experience in teaching and speaking to women all over the country In this four page per devotion format Angela shares An inspirational message including personal anecdotes Biblical teaching Questions to guide reader into self exploration with blank lines for personal answers Encouraging quotes Bible scriptures for meditation This book is the perfect choice for the many readers who work through a devotional book each year Choosing Joy ,2017-05-03 Empower yourself Take charge of your own happiness Choose to live your most joyful life Is happiness really within our control Is it possible to choose joy and instantly improve your life Are you clear on what joy is and what it is not Joy is one of those intangible magical qualities that can so enrich our lives This selection of whimsically illustrated quotations and reflections will guide you to consider what joy means to you and help you to live your most joyful life Empower yourself Take charge of your own happiness Let Choosing Joy be your guide along the path to happiness This charmingly illustrated collection of joy quotes and reflections makes a thoughtful gift book for someone special or just for you It makes a delightful addition to your coffee table books offering bite sized tidbits of inspiration as you need them About the Grace Girls Series The Grace Girls Series was born of a small daily creative project drawing a whimsical girl in a restricted time frame with limited supplies every day As I believe is the case for all creative processes this activity soothed the soul and allowed the inner most thoughts to surface Often thoughts I didn t even know I had At the time I was supporting a very dear friend through her treatment for breast cancer I found comfort and solace in these little girls during a difficult time in my life Eventually I began to realise that these little girls bore messages The first girl to speak to me was Grace who appears on the cover of the first book in the series Finding Grace Her message was about acceptance She seemed to embody this intangible quality we call

grace Each day as I drew another little girl I thought about the meaning of grace I began to collect quotations on grace and write some of my own reflections Before long I had gathered my thoughts on the subject of grace and how finding it can smooth our path through life For it is only when we find the grace to accept what we do not have that we can begin to discover the joy in what we do have Then joy became the main focus of my thoughts I found myself drawing girls with more movement and energy With the passing of my friend choosing joyful thoughts required some effort I m sure this is something we all experience at one point or another in our lives It felt important to explore this idea of taking conscious steps towards happiness To empower oneself to choose joy regardless of circumstances The second volume in the series Choosing Joy is designed to inspire you to choose to live your most joyful life Perhaps it is the sort of coffee table book that you will be able to turn to on occasion and find something to uplift or inspire you It need not be read cover to cover Rather it offers little pieces of encouragement whichever page you happen to open It is my hope that the joy quotes illustrations and reflections guide us on the path to happiness Because we all deserve a joyful life

I Choose Joy Chip Ingram,2025-06-03 Joy our lifeline and strength through life s suffering C S Lewis said Joy is the serious business of Heaven Too often however joy is missing from our lives When we look to Scripture we see examples of early Christians thriving even amid hardship and persecution How do we recapture that deep and stubborn joy Pastor Chip Ingram takes us to God s Word helping us shift away from self centric happiness and toward lasting joy found in God s goodness Choosing joy in the midst of difficulties goes against all our instincts But if you look at your circumstances through the lens of God s goodness His power and promises that s a higher perspective You cannot choose your life s circumstances but you can choose how to respond Join esteemed Bible teacher Chip Ingram on this journey to restore the essential Christian virtue of JOY
