Jesus Christ and History George Eldon Ladd, 1963 Does history mean anything Are plan and purpose discernible in its ongoing course Or does Albert Camus refer aptly to the savage formless movement of history What is God s relation to history Does the Eternal invade the temporal Can the Absolute be known in historical relativities Must God break into history According to the author The purpose of this little book is to set forth the biblical view of God and history and to expound the role of the second coming of Christ in this biblical perspective In thus relating history and eschatology Dr Ladd deals with a problem that is crucial for the Christian and the world As Dr Bromiley writes in the preface to this little book It is indeed a tract for the times concentrating the fruits of biblical and theological study and applying them to the needs of the hour which

are basically the needs of every human hour **Christ in History; or, the Central Power among Men** Robert TURNBULL (D.D.),1854 **Christ in History, Or, The Central Power Among Men** Robert Turnbull,1857 **The Historical Christ and the Jesus of Faith** C. Stephen Evans,1996 The New Testament contains a story about Jesus of Nazareth which has always been understood by the Church to be historically true It is an account of the life death and resurrection of a real person whose links with history are firmly signalled in the creeds of the early church Contemporary historical scholarship on the other hand has called into question the reliability of the church s version of this story and thereby raised the question as to whether ordinary people can know its historical truth In this book a leading philosopher of religion argues that the historicity of the story still matters and that its religious significance cannot be captured by the category of non historical myth The commonly drawn distinction between the Christ of faith and the Jesus of history cannot be maintained The Christ who is the object of faith must be seen as historical the Jesus who is reconstructed by historical scholarship is always shaped by commitments to faith Evans looks carefully at contemporary New Testament studies and the philosophical and literary assumptions upon which it rests to show that this scholarship does not undermine the confidence of lay people who believe that they can know that the church s story about Jesus is true His accessible and controversial study will interest all thoughtful Christian readers Publisher description **The Real History of Jesus Christ** Navi Feroz,2019-11-28 The Real History of Jesus Christ The story of Jesus Christ goes much deeper than His crucifixion and resurrection Few will dispute that a man named Jesus Christ lived 2 000 years ago and that He was a great teacher who impacted the world Christ made a controversial claim that He was the very Son of God the long prophesied Messiah causing religious authorities in Jerusalem to reject Him hate Him and eventually succeeded in having Him put to death Likewise the local Roman civil authorities also saw Him as a threat and became complicit in His execution The religions of His day both Judaism and paganism opposed the growth of His teachings and used unlawful and violent means to try to destroy the Church He founded The government of Rome also came to vigorously persecute the followers of this Jewish teacher from Galilee Today there is much confusion and questions concerning this controversial figure Where can you go for the answers The Bible This Bible Study aid booklet The Real History of Jesus Christ will help explain what is written in the Bible about Jesus Christ You can discover the answers to these questions and more Who was Jesus Christ of Nazareth Where did He come from When was Jesus Christ born What did Jesus teach Was He God in the flesh What did Jesus look like Was He only a man Why did He die Discover the true fascinating story that so few understand The story of the greatest Man who ever lived and the misunderstood message He preached the gospel good news of the coming Kingdom of God Inside this book The birth of Jesus Christ Why Christmas is Celebrate on 25th of December 12 Days of Christmas Christmas Candles Christmas Carols Snow and Ice in Christmas Get your copy now to know completely about the Jesus life *The Jesus of History* Terrot Reaveley Glover,1917 This book has grown out of lectures upon the historical Jesus given in a good many cities of India during the winter of 1915 16 Here and there are

incorporated passages rehandled from articles that have appeared in the Conservative quarterly the Nation the Expositor and elsewhere cf Pref **Is Jesus History?** John Dickson,2019-10-01 An exploration of the historicity of Jesus and whether he is relevant today What can we really know for sure about the past Can anything be trusted as reliable historical fact What can we really know for sure about the past Can anything from ancient history be regarded as fact In particular how seriously can we take the historical sources for the life death and resurrection of Jesus of Nazareth Did he really even live in first century Galilee and Judaea or is he a figure of legend In this timely book historian Dr John Dickson unpacks how the field of history works giving readers the tools to evaluate for themselves what we can confidently say about figures like the Emperor Tiberius Alexander the Great Pontius Pilate and of course Jesus of Nazareth He presents the evidence methods and conclusions of mainstream scholars both Christian and not and asks some pertinent contemporary questions without offering any pushy answers If Jesus really did exist what are we to make of his own claims and those of his followers and what would any of it mean for us today **The History of the Christian Church** William Jones,1837 **The Christ of History** John Young,2017-10-04 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates *The History of the Life and Death of Jesus Christ (1851)* Jeremy Taylor,Theodore Alois Buckley,2009-04 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **The History of Christianity** Henry Hart Milman,1840 **Christ and History** George Arthur Buttrick,1963 Biblical interpretation of history or dialogue
