Christ In All Scripture:

Christ in All the Scriptures A. M. Hodgkin,1948 *Christ in All the Scriptures* A. M. Hodgkin,2015-02-19 **Christ in All the Scriptures** Alice M. Hodgkin,2015-11-22 Alice M Hodgkin was a late 19th century and early 20th century writer who wrote on all sorts of religious topics including this work From the preface ON the glorious resurrection morning Mary went to seek for Jesus She sought Him in the tomb but He stood beside her She thought He was the gardener but the one word Mary revealed to her her Saviour As we read some passage in the Old Testament how often our eyes are holden and we see only the earthly form we see Aaron the priest or David the shepherd or Solomon the king but if like Mary we are really seeking the Lord Jesus He manifests Himself to us through the outward type and we turn in glad surprise and looking up say Rabboni lit my great One As we continue to seek we find Him in the least expected places of the Old Testament until the whole grows luminous with the glory of God in the face of Jesus Christ In the volume of the book it is written of Me All the lines of history and type of Psalm and prophecy converge towards one centre Jesus Christ and to one supreme event His death on the Cross for our salvation And from that centre again all the lines of history in the book of Acts of experience in the Epistles and of prophecy in Revelation radiate out once more to testify that the Father sent the Son to be the Saviour of the world After His resurrection our Lord not only opened the Scriptures to His disciples but also opened their understanding that they might understand the Scriptures He is ready to do the same for us The same Holy Spirit who moved holy men of old to write the Scriptures is close at hand to make the words life to our souls by taking of the things of Christ and revealing them unto us Of the books of the New Testament only a brief summary is here given partly because they are so much more studied partly because to treat of them at any adequate length would swell this book beyond the limits of a single volume and still more because the chief aim of the present Studies is to show that Christ is the Key to the Old Testament Scriptures To encourage others to seek Him for themselves under the guidance of the Spirit in the pages of Holy Scripture is the object of this book I would here gratefully acknowledge the help of Fielden Thorp B A and the Rev James Neil M A in revision and of other friends in various ways The Confession of Faith; the Larger and Shorter Catechisms, with the Scripture-proofs at Large: Together with The Sum of Saving Knowledge, Contained in the Holy Scriptures, and Held Forth in the Said Confession and Catechisms, and Practical Use Thereof; Covenants, National and Solemn League; Acknowledgement of Sins and Engagement to Duties; Directories for Publick and Family Worship; Form of Church Government, &c. of Publick Authority in the Church of Scotland; with Acts of Assembly and Parliament Relative To, and Approbative Of, the Same Church of Scotland,1877 A Concordance of the Proper Names in the Holy Scriptures Thomas David Williams,1923 Fundamental Theology Matthew L. A Compendium of Evangelical Theology Given in the Words of Holy Scripture. By W. Passmore, 1873 *The Reception and Interpretation of the Bible in Late Antiquity* Lorenzo DiTommaso, Lucian Turcescu, 2008-08-31 The volume is a Festschrift offered to Charles Kannengiesser on the occasion of his 80th birthday and honours him for his numerous scholarly accomplishments Its twenty five contributions discuss some of the major issues pertaining to the reception and interpretation of the Bible in late antique Christianity and Judaism They focus on the ways in which communities and individuals understood the Bible and interpreted its traditions to address their historical social and theological requirements Since the Bible was by far the most important book during these centuries a discussion of its influence in such contexts will illuminate significant aspects of the formation of western civilisation

The Oxford Handbook of Early Christian Biblical Interpretation Paul M. Blowers, Peter W Martens, 2019-05-16 The Bible was the essence of virtually every aspect of the life of the early churches The Oxford Handbook of Early Christian Biblical Interpretation explores a wide array of themes related to the reception canonization interpretation uses and legacies of the Bible in early Christianity Each section contains overviews and cutting edge scholarship that expands understanding of the field Part One examines the material text transmitted translated and invested with authority and the very conceptualization of sacred Scripture as God's word for the church Part Two looks at the culture and disciplines or science of interpretation in representative exegetical traditions Part Three addresses the diverse literary and non literary modes of interpretation while Part Four canvasses the communal background and foreground of early Christian interpretation where the Bible was paramount in shaping normative Christian identity Part Five assesses the determinative role of the Bible in major developments and theological controversies in the life of the churches Part Six returns to interpretation proper and samples how certain abiding motifs from within scriptural revelation were treated by major Christian expositors The overall history of biblical interpretation has itself now become the subject of a growing scholarship and the final part skilfully examines how early Christian exegesis was retrieved and critically evaluated in later periods of church history Taken together the chapters provide nuanced paths of introduction for students and scholars from a wide spectrum of academic fields including classics biblical studies the general history of interpretation the social and cultural history of late ancient and early medieval Christianity historical theology and systematic and contextual theology

A Commentary on the Holy Scriptures: Ezekiel Johann Peter Lange,1876 "Yea, Has God Said...?" John Grimley,2020-03-20 Throughout one's life from its beginning to its end one is constantly bombarded with spin by those who desire to promote products and push ideas philosophies and a multitude of faiths whether religious or secular There is only one work even since the beginning of time which is free of spin and tells it exactly as it was and is now God's inspired Word the Bible Right from the very beginning Eve put three spins on what God had told Adam She deleted the word freely she added the phrase neither shall you touch it and altered the word surely to less Yet it was Lucifer the fallen archangel in the guise of a serpent who put into motion the ultimate spin on God's word Yea has God said From then on this question has played havoc with every society down through the ages Any question of doubt concerning God's word always opposes truth and reality This book has been written to put forth a definitive answer to this insidious question In fact this question begs for an answer and not just a rhetorical one The questions raised concerning God's word itself creation salvation eschatology morality death and more are in this book and are answered with a resounding Yes God has said *The Complete Works of Menno Simons* Menno Simons,1871 **The Prayer Book: with Scripture Proofs and Historical Notes** Augustus
