Christ In Water:

Water in the Gospel of John Andy Baek,2011-01 *Milton and This Pendant World* George W. Whiting,2014-11-11 Milton and This Pendant World is an interpretation of the great English poet in an age increasingly skeptical in a culture dominated by the assumptions of the natural and historical sciences and by the illusions of progress and enlightenment Those are the words of the author of this book George Wesley Whiting an eminent and devoted Miltonian Believing that Milton has a vital message for the modern world Whiting has abandoned the usual pattern for examining a poet study of versification meter and other poetic devices Instead he presents an exposition of the spiritual and moral meaning of Milton s poetry which can still have truth and beauty for this doubting age The literary image of the pendant world was familiar in Milton s seventeenth century but is meaningless to most people of our day The comforting picture of the world hanging from heaven on a golden chain signifies God s close watchfulness over humanity and the inseparable bond which links us to the spiritual kingdom The author declares that the search for God and the struggle to overcome the spiritual and material forces that impede the search represent the most vital of all human efforts for unless this search is our primary motivation life is without meaning without final purpose Whiting also observes that true Christianity stands not for the impoverishment of humanity and our enslavement to the Deity but rather for human moral health harmonious development and spiritual welfare In order to save civilization from destruction at the hands of its friends secularists specialists militarists and politicians we must have a renaissance of the spirit a cultural synthesis in which a revitalized religion enriched by philosophy and science renews the ideals of Christianity *Water Baptism and Spirit Baptism* Ken Lenz,2017-11-14 This is a book that clearly and comprehensively covers the topics of both water baptism and Spirit baptism from a purely biblical perspective rather than from a particular ecclesiastical historical or theological perspective Rather than using isolated Scripture verses in an effort to shore up a position this book quotes and explains all passages that have a bearing on these two topics allowing a position to form that is based solely on God s Word Passages are considered within their broader literary contexts and alternative interpretations are explored Water baptism and the baptism in the Spirit are for all Christians Whether you are a layperson minister or teacher this book is for you The Baptist Library Charles George Sommers,William R. Williams,Levi L. Hill,1843 The Theological Medium ,1875 The People's Bible: John Joseph Parker,1893 The Christian Theology Reader Alister E. The Doctrine of the Sacraments in Relation to the Doctrines of Grace, as Contained in the Scriptures, Taught in Our Formularies, and Upheld by Our Reformers ... By an English Presbyterian [i.e. N. Dimock].

Water Is Thicker Than Blood Jana Marguerite Bennett, 2008-03-04 This book considers how homes households and domestic life are related to the Church Early theologies glorified the monastic lifestyle as a way to transcend earthly attachments in favor of supernatural goods Contemporary thinkers have seen that functioning marriages and families themselves can lead us toward a more righteous society Jana Bennett insists that both marriage and singleness must be placed in the context of the Christian story of redemption for the questions and problems at stake to be fully understood She finds that Augustine of Hippo maligned by modern theologians is the source of very fruitful reflection on these topics Most scholars today would agree that Augustine s works have exerted great influence on Western views of marriage family and sex But many would argue that this influence has been detrimental to a healthy understanding of these topics However using Augustine s writing Bennett shows that marriage and singleness cannot be considered separately that gender issues are important to considering these states correctly and most important that the marriage between Christ and the Church is the first consideration in understanding and living these states of life The water of baptism Christians first birth and initiation into the life of Christ is the primary standard for relationships rather than familial ties
