## **Christ Is Community:**

**Jesus and Community** Gerhard Lohfink, 1984-01-01 The author calls the present day church to once again be the contrast society which attracts non believers by living what it preaches and by being different without being narrowly sectarian

**Christ Is Community** Jerome H. Neyrey, 1985

**Paul's Idea of Community** Robert Banks, 1980 It is in Paul that the most profound and clearly developed understanding of community is found Indeed what the apostle has to say about community is relevant to far more than just the way people get together in churches In this timely study the author examines and clarifies Paul s idea of community placing it in its historical context comparing Paul and the Stoic and Epicurean and Cynical phiosophers the Hellenistic mystery cults and first century Judaism and drawing out its significance both sociologically and theologically According to him the essence of Paul idea of community is freedom The freedom that Christ brings to a person means not only independence from selfish desires and from the law but also dependence for the freedom is given by Christ not earned and interdependence it must be lived out in the community Of the several images Paul uses to describe the community the author focuses on two body depicting the goal of development or growth and family dpeicting the goal of harmony He goes on to discuss the various aspects of the community the physical expressions of community spiritual gifts and their role in the community the role of women and racial minorities in the community and the relationship of Paul himself and his apostolic endeavours to the community Back cover

**Loving Your Community** Stephen Viars, 2020-01-21 Are you and your church making a difference in your community Are you meeting needs in a positive proactive and loving way Too often when churches are presented with a need outside their walls they operate on the principle of Say no unless you have to say yes Don t want that to be your church s legacy in your community Drawing on more than 30 years of service to the community surrounding Faith Church in Indiana pastor Stephen Viars shows you how to develop a dynamic giving relationship with your community one in which your natural response to needs is Yes How can we help No matter the size location demographics or issues in your community the approach found in this practical book will help you improve people s lives draw them into productive conversation about the hope you have in Christ and glorify God

**Christ and Community** Thomas Slater, 1999-07-01 Slater presents a study of the three major christological images of Revelation and their meanings for the original audience Employing both historical criticism and elements of sociology of knowledge Christ and Community explores the social functions of one like a son of man the Lamb and the Divine Warrior identifying both similarities and dissimilarities The study argues on the one hand that the religious laxity found in Revelation 2 3 reflects attempts by some Christians to accommodate to provincial social pressures while on the other hand Revelation 4 19 reflect the low status of Christians in the cities of Asia Minor
