Subject: Abusive language used by peon

Subject of
the mail

Salutation

Respected Sir,

1 It is a matter of great concern that the staff of the school is using abusive language in front of young students. **2** Yesterday, my friend was running in the corridor and the peon outside your office stopped him and started using obscene and vulgar language. I know what my friend was doing is against the rules but that is not an excuse for the peon to indulge in such behaviour. Even one teacher in the staff room heard it.

Body of the
email

3 I request you to take a strict action regarding the person as it leaves a very bad impression on a student's mind.
