Ea Pale Horse:

Tyconius' Theological Reception of 2 Thessalonians 2:3-12 Karol Piotr Kulpa, 2022-09-14 In this volume Karol Piotr Kulpa offers a coherent analysis of the reception of 2 Thess 2 3 12 by Tyconius in his *Liber Regularum* and his reconstructed *Expositio Apocalypseos*. The author proposes and applies his own method for a reception history composed of historical literary and theological levels which is constructive as well as analytical. In this way he writes a history of reception that not only finds its anchor in the past but also builds bridges to theological questions of the present. In particular the author identifies that motifs of *homo peccati mysterium facinoris* and *discessio* drawn from 2 Thess 2 3 and 2 7 become Tyconius world constructing verses in his understanding of Scripture and of the bipartition in the church's reality in human nature and in eschatological temporality. As a result he offers a refreshingly ecumenical reading of Tyconius refusing to reduce his significance to that of a heretical voice but re-envisaging him as a potentially authoritative theologian and exegete. **ESV**
