**Edmund Platt**

## **Eagle And The Rising Sun:**

The Eagle and the Rising Sun Alan Schom, 2004 On Saturday August 2 1941 the Washington Post reported that President Franklin D Roosevelt would depart the next day for a fishing vacation aboard his yacht Potomac By the morning of August 5 the Potomac was sailing toward the fishing waters off Cape Cod but the president was not on board Having quietly disembarked in the middle of the night the president now joined by his top military advisors was headed for Newfoundland where the U S and British governments would meet in a secret summit to coordinate their military efforts although the United States had yet to declare war on Germany The British were appalled at the state of American preparedness one British colonel remarking They have a long way to go before they can play any decisive part in the war But ready or not the United States would be catapulted into World War II within a matter of months Alan Schom s superb histories and biographies have been lauded for their dramatic sweep their focus on extraordinary personalities and their refreshingly iconoclastic perspective Schom begins this magisterial account of World War II in the Pacific by demonstrating an ironic paradox on one hand the American government and people were as inadequately prepared for war as any major power ever has been on the other the Japanese high command plunged headlong into the Pacific campaign despite clear evidence from their own analysts that Japan had too little oil and too feeble an economy to prevail against the United States It was a war that should not have been fought Schom recounts a tense saga of diplomatic maneuvering strategic blunders and pivotal successes played out in the halls of the White House Downing Street and the Imperial Palace as well as on the seas and shores of the Pacific Key figures in the war come vividly to life in a series of brilliant biographical sketches Emperor Hirohito a devotee of Western pursuits such as golf and jazz who hungered to expand Japan s global reach the destructively egotistical General Douglas MacArthur whose splendid achievements in World War I stood in stark contrast to his incompetent leadership in the Philippines Rear Admiral Kelly Turner whose realism and tactical savvy played a crucial role in turning the tide of the war and the cool headed Admiral Tanaka Raizo who repeatedly slipped through the Allied net transporting troops and supplies to and from Guadalcanal The Eagle and the Rising Sun embraces the broad strategic concerns of the war and the telling details and turning points of individual engagements As Rear Admiral Thomas Marfiak Ret CEO and publisher of the U S Naval Institute writes in the Foreword From time to time we are privileged to be given extraordinary insights into the history of our age Alan Schom has given us a tapestry into which he has woven figures of immense proportions yet he has not lost sight of their humanity He writes in the grand tradition of Barbara Tuchman s The Guns of August Book jacket *The Eagle And The Rising Sun* John K. Emmerson, Harrison M Holland, 1988-01-21 **The Eagle and the Rising Sun: Americans and the New Religions of Japan** Robert S. Ellwood (Jr.), 1974 *The Eagle and the Rising Sun* Robert S. Ellwood, 1974 **The Eagle from the Rising Sun** Jack Holterman, 1991 Origin and History of the American Flag and of the Naval and Yacht-club Signals, Seals and Arms, and Principal National Songs of the United States, with a Chronicle of the

Symbols, Standards, Banners, and Flags of Ancient and Modern Nations George Henry Preble,1917      **The Annual of the American Schools of Oriental Research** American Schools of Oriental Research,1925      *History of the Flag of the United States of America* George Henry Preble,1880      *The Religious Fringe* Richard G. Kyle,1993 America the land of the free has from its earliest days spawned and nurtured a wide range of new or alternative religious Often veering from traditional roots or seeking to find their way back toward the center these religious fringe groups have a fascinating story long overlooked in many treatments of American history Richard Kyle here traces the origins and development of alternative religions showing their influence on American culture      A History of the City of Newark, New Jersey ,1913      **The Eagle's History of Poughkeepsie** Edmund Platt,1905      Catalogue of Coins of the United States United States. Bureau of the Mint,1928
