

Theodore Huebener

John Peter Altgeld: The Forgotten Eagle

A German-American statesman who fearlessly upheld the basic ideals of America and became a martyr in his fight for the right was John Peter Altgeld of Illinois. His political career was a distinguished one in the 1880s and 1890s, yet he is barely mentioned in history texts and the average American is ignorant of him. He was a noble character, like that other champion of freedom, Carl Schurz. Denounced and maligned because of his fearless defense of the hapless German workmen accused of being anarchists, he was rejected and forgotten. One of the few who recognized his greatness was the poet Vachel Lindsay, who wrote of him:

Sleep softly, eagle forgotten . . . under the stone,
Time has its ways with you there, and the clay has its own.
Sleep on, O brave-hearted, O wise man, that kindled the flame. . . .

John Peter Altgeld, born in a small town in Nassau, Germany, on December 30, 1847, was brought to America when he was three months old. His father, a wagon-maker and a man of little education, settled near Mansfield in northern Ohio, where he went into farming. The family was poor and John Peter's childhood was hard. At fourteen he was hired out as a farmhand. His schooling was very meager. During three winters he attended an English district school and a class in German. Borrowing books from neighbors, he read omnivorously, thus making up for his lack of a formal education.

In 1864, at the age of sixteen, he enlisted in the Ohio Home Guard in response to President Lincoln's call for volunteers. He received a bounty of one hundred dollars, of which he gave ninety to his father. As he described it later, he "carried a gun around in the swamps below Richmond." He served briefly but faithfully. After his short career in the army, he worked on the farm and on the railroad. He also taught school for a while. Finally he went to Savannah, Missouri, where he worked as a laborer by day and studied law at night.¹ In 1871, at the age of twenty-

Eagle Forgotten John Peter Altgeld

Richard E. Welch

Eagle Forgotten John Peter Altgeld:

"Eagle Forgotten." The Life of John Peter Altgeld ... Illustrated. [With Portraits.]. Harry Barnard, John Peter ALTGELD, 1938 **Eagle Forgotten** Harry Barnard, 1973 **Eagle Forgotten** Harry Barnard, 1938 Undelivered Jeff Nussbaum, 2022-05-10 A fascinating insight into notable speeches that were never delivered showing what could have been if history had gone down a different path For almost every delivered speech there exists an undelivered opposite These second speeches provide alternative histories of what could have been if not for schedule changes changes of heart or momentous turns of events In Undelivered political speechwriter Jeff Nussbaum presents the most notable speeches the public never heard from Dwight Eisenhower's apology for a D Day failure to Richard Nixon's refusal to resign the presidency and even Hillary Clinton's acceptance for a 2016 victory the latter never seen until now Examining the content of these speeches and the context of the historic moments that almost came to be Nussbaum considers not only what they tell us about the past but also what they can inform us about our present The Trial in American Life Robert A. Ferguson, 2008-08-05 In a bravura performance that ranges from Aaron Burr to O J Simpson Robert A Ferguson traces the legal meaning and cultural implications of prominent American trials across the history of the nation His interdisciplinary investigation carries him from courtroom transcripts to newspaper accounts and on to the work of such imaginative writers as Emerson Thoreau William Dean Howells and E L Doctorow Ferguson shows how courtrooms are forced to cope with unresolved communal anxieties and how they sometimes make legal decisions that change the way Americans think about themselves Burning questions control the narrative How do such trials mushroom into major public dramas with fundamental ideas at stake Why did outcomes that we now see as unjust enjoy such strong communal support at the time At what point does overexposure undermine a trial's role as a legal proceeding Ultimately such questions lead Ferguson to the issue of modern press coverage of courtrooms While acknowledging that media accounts can skew perceptions Ferguson argues forcefully in favor of full television coverage of them and he takes the Supreme Court to task for its failure to grasp the importance of this issue Trials must be seen to be understood but Ferguson reminds us that we have a duty currently ignored to ensure that cameras serve the court rather than the media The Trial in American Life weaves Ferguson's deep knowledge of American history law and culture into a fascinating book of tremendous contemporary relevance A distinguished law professor accomplished historian and fine writer Robert Ferguson is uniquely qualified to narrate and analyze high profile trials in American history This is a superb book and a tremendous achievement The chapter on John Brown alone is worth the price of admission Judge Richard Posner A noted scholar of law and literature Ferguson offers a work that is broad in scope yet focuses our attention on certain themes notably the possibility of injustice as illustrated by the Haymarket and Rosenberg prosecutions the media's obsession with pandering to baser instincts and the future of televised trials One of the best books written on this subject in quite some time Library Journal starred review To a Post-office Inkwell Christopher Morley, 1919 **Poems for Youth**

William Rose Benét,1925 A generous selection of the most striking poems of American poets old and new compiled especially for young Americans in their teens **An Anthology of World Poetry** Mark Van Doren,1928 **A Junior Anthology of World Poetry** Mark Van Doren,Garibaldi Marto Lapolla,1929 **Modern American Poetry** Louis Untermeyer,1921
Types of Poetry ,1926 *A Hero in Spite of Himself: Brand Whitlock* Robert Morse Crunden,1969 **The Bay View Magazine** ,1915 **The Presidencies of Grover Cleveland** Richard E. Welch,1988 Grover Cleveland who served as both the twenty second and the twenty fourth president of the United States dominated the American political scene from 1884 to 1896 Viewed at one time as a monument of presidential courage Cleveland has over the past generation been dismissed by historians as a Bourbon Democrat the symbol of that wing of the Democratic party devoted to preserving the status quo and protecting the interests of the propertied In this revisionist study Richard Welch takes a fresh look at the Cleveland administrations and discovers a man whose assertive temperament was frequently at odds with his inherited political faith Although pledging public allegiance to a Whiggish version of the presidency Cleveland s aggressive insistence on presidential independence led him to exercise increasing control of the executive branch and then to seek influence over Congress and national legislation Quick to denounce governmental paternalism and the centralization of political power Cleveland nevertheless expanded the authority of the national government as he revised federal land and Indian policies in the West and ordered the army to Chicago during the 1894 Pullman strike For all his fears of constitutional innovation he was neither a champion of big business nor unaware of the problems posed by the post Civil War economic revolution He signed the Interstate commerce Act warned against the growing power of industrial combination advocated voluntary federal arbitration of labor management disputes and fought the monopolization of western lands by railroad an timber corporations Welch places Cleveland s battles on behalf of tariff revision civil service reform and the gold standard within the context of the conundrum of a strong president who usually failed to gain the cooperation of Congress or the Democratic party Cleveland reinvigorated the American presidency and reestablished an equilibrium between the executive and legislative branches of the federal government but by his obdurate enmity to the silverites and the agrarian radicals he helped assure the division and defeat of his party in the election of 1896 Welch demonstrates that Cleveland s achievements and failures as a political leader were attributable to an authoritarian temperament that saw compromise as surrender Two chapters of the book are devoted to Cleveland s diplomacy focusing especially on his response to Hawaiian and Cuban revolutions and the boundary dispute between Venezuela and Great Britain Welch takes issue with the currently popular thesis that U S diplomacy in the last decade of the nineteenth century displayed a concerted governmental effort to solve domestic economic problems by expanding foreign markets in East Asia and Latin America In addition to providing insights into the character of one of our more interesting presidents this reassessment of Grover Cleveland s historical legacy shows clearly that the Cleveland years served as the essential preface to the development of a modern presidency and to the identification for executive power

Locomotive Engineers Journal ,1929 Modern American and British Poetry Louis Untermeyer,1923 **Governors and the Progressive Movement** David R. Berman,2019-06-15

Governors and the Progressive Movement is the first comprehensive overview of the Progressive movement s unfolding at the state level covering every state in existence at the time through the words and actions of state governors It explores the personalities ideas and activities of this period s governors including lesser known but important ones who deserve far more attention than they have previously been given During this time of greedy corporations political bosses corrupt legislators and conflict along racial class labor management urban rural and state local lines debates raged over the role of government and issues involving corporate power racism voting rights and gender equality issues that still characterize American politics Author David R Berman describes the different roles each governor played in the unfolding of reform around these concerns in their states He details their diverse leadership qualities governing styles and accomplishments as well as the sharp regional differences in their outlooks and performance and finds that while they were often disposed toward reform governors held differing views on issues and how to resolve them

Governors and the Progressive Movement examines a time of major changes in US history using relatively rare and unexplored collections of letters newspaper articles and government records written by and for minority group members labor activists and those on both the far right and far left By analyzing the governors of the era Berman presents an interesting perspective on the birth and implementation of controversial reforms that have acted as cornerstones for many current political issues This book will be of interest to students and scholars of US history political science public policy and administration

The Dial ,1914 **Illinois History** ,1989 Illinois History Mark Hubbard,2018-05-15

A renaissance in Illinois history scholarship has sparked renewed interest in the Prairie State s storied past Students meanwhile continue to pursue coursework in Illinois history to fulfill degree requirements and for their own edification This Common Threads collection offers important articles from the Journal of the Illinois State Historical Society Organized as an approachable survey of state history the book offers chapters that cover the colonial era early statehood the Civil War years the Gilded Age and Progressive eras World War II and postwar Illinois The essays reflect the wide range of experiences lived by Illinoisans engaging in causes like temperance and women s struggle for a shorter workday facing challenges that range from the rise of street gangs to Decatur s urban decline and navigating historic issues like the 1822 24 constitutional crisis and the Alton School Case Contributors Roger Biles Lilia Fernandez Paul Finkelman Raymond E Hauser Reginald Horsman Suellen Hoy Judson Jeffries Lionel Kimble Jr Thomas E Pegram Shirley Portwood Robert D Sampson Ronald E Shaw and Robert M Sutton
