Early Christian Creeds John Norman Davidson Kelly, 1981 A comprehensive study of the rise development and use of credal formulines in the creative centuries of the Church s history

Early Christian Creeds & Hymns Tony Costa, 2021-08-17 Throughout the history of the Church Christians have expressed their faith in word and song Among the ways they confessed what they believed was through creeds The term creed which comes from the Latin credo I believe has played a central role in the identity of the Church and expressing her core beliefs Some of the more famous creeds are the Apostles Creed and Nicene Creed While these creeds developed in the first few centuries of the Church the earliest creeds are embedded within the New Testament text itself The singing of hymns which are closely associated with creeds has also been part of the Church s ancient heritage These credal hymns were adopted from the synagogues and have continued to be an integral expression of worship today The New Testament contains many of the hymns that the early Christians sang Since these hymns are confessional in nature we can state that hymns were creed like confessing in song what the earliest Christians believed This book examines the ancient creeds and hymns found in the New Testament shedding light on what the earliest Christians held to be central definitional and foundational to their faith

Reeves,2019-10-01 Creeds and confessions throughout Christian history provide a unique vantage point from which to study the Christian faith To this end Donald Fairbairn and Ryan Reeves construct a story that captures both the central importance of creeds and confessions over the centuries and their unrealized potential to introduce readers to the overall sweep of church history The book features texts of classic creeds and confessions as well as informational sidebars **The Christian Creed and the Creeds of Christendom** Samuel Gosnell Green,1898 **The Making of the Creeds** Frances M. Young,2002-05-01 In lucid and non technical prose Young demonstrates how and why the two most familiar Christian creeds the Apostles Creed and the Nicene Creed came into being She describes how creeds originated in instruction before baptism and have their roots in the New Testament itself She then shows how the rise of Gnosticism and a tendancy towards fragmentation in the church made a clear statement of faith necessary as well as outlining the various controversies which led to particular words and phrases being included in the creeds as we now have them She then describes the construction of the great Christian doctrines of the Trinity and incarnation **Pagan & Christian Creeds** Edward Carpenter,1921 [The Christian Creed](#) Charles Webster Leadbeater,1917 *Encyclopedia of Early Christianity* Everett Ferguson,1990 This single volume encyclopedia contains 977 articles by 135 qualified scholars of various academic and ecumenical backgrounds with coverage extending from New Testament times to approximately 600 A D Entries cover persons places doctrines and practices and include some articles on modern scholars important to the study of early Christianity The entries vary in length but each begins with a brief definition or identification followed by chronological or topical development Excellent short bibliographies following each article give patristic citations editions translations and studies The articles avoid technical language and provide good basic summaries of the material This work will be useful for teachers scholars and students as well as for reference work **Early Christianity** Joseph Henry Allen,1882 **Early Christian Creeds** ,1963 **Christ & Creed** Nate Pickowicz,2023-09-12 From the Latin word credo meaning I believe creeds are statements of personal belief They have been used throughout the history of the church to helpfully condense the fundamental beliefs of the Christian faith They are a valuable in that they Summarize Christian truth Testify to what the Church has always believed Help us be precise in how we express truth Guard us against heresy and error Unify believers who share the same testimony In Christ Creed Nate Pickowicz helpfully examines the early major ecumenical creeds providing historical context and highlighting the distinctives in the Apostles Creed the Nicene Creed the Definition of Chalcedon and the Athanasian Creed He shows how these statements are still invaluable for the church today It also includes
