Early Ironwork Of Charleston:

The Early Ironwork of Charleston Alston Deas, 2010-11 **Early Ironwork in Charleston** Albert Simons, Samuel Lapham (Jr.), 1926 The WPA Guide to South Carolina Federal Writers' Project, 2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little known authors, many of whom would later become celebrated literary figures, were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. The WPA Guide to South Carolina presents a state at the epicenter of Southern culture. The Palmetto State's guide comes complete with the standard driving tours across the Blue Ridge Mountains and Mid-Atlantic coast, as well as recipes for delicacies such as Cracklin Bread and Peach Leather. **South Carolina: A Guide to the Palmetto State**, The Afro-American Tradition in Decorative Arts John Michael Vlach, 1990. Included in the examples are works from the Charleston and Old Slave Mart museums and the ironwork of Philip Simmons. *South Carolina*, 2023-02-24. The Federal Writers Project creates an image of South Carolina of years past. All of us at one time or another have had a strong desire to be able to get into a time machine and be transported magically to an earlier place and time. Science has not yet produced for us such a time machine, but the Federal Writers Project (FWP), a division of the Works Progress Administration, did produce for prosperity guides to all of the old 48 states. Using talented local researchers and writers, the FWP created an image of America fifty-plus years ago. A reprint of the original South Carolina The WPA Guide to the Palmetto State is divided into three sections: 19 essays on a variety of topics ranging from history to cookery; detailed descriptions of the 11 towns in the state that had populations of more than 10,000; and 21 remarkably detailed guided tours to all sections of the state. In addition to the original chapters, there are two appendices: updated highway numbers for each tour and a guide to getting off the present Interstate Highway System and picking up the guided tours. South Carolina's Guide is very much a product of its times. The essays and tours mince no words in describing the state's poverty or the reality of a world in which class and race played major roles. For those who have studied and taught South Carolina history, the old Guide has been an indispensable reference work. Parts of it may be dated to some jaded modern eyes; some phrases may be jarring to the post-1954 generation. However, the original South Carolina The WPA Guide to the Palmetto State was what its cover claimed it to be. It accurately described the state as it was, not as romantics wanted it to be. Carolina Folk McKissick Museum, McKissick, 1985. Identifies the Carolinas' contributions to Southern folk traditions. *The Architectural Forum*, 1929. **The Shadow of a Dream : Economic Life and Death in the South Carolina Low Country, 1670-1920** Chapel Hill Peter A. Coclanis, Professor of

History University of North Carolina, 1989-02-23 This important new book charts the economic and social rise and fall of a small but intriguing part of the American South Charleston and the surrounding South Carolina low country Spanning 250 years Coclanis's study analyzes the interaction of both external and internal forces on the city and countryside examining the effects of various factors the environment the market economic and political ideology and social institutions on the region's economy from its colonial beginnings to its collapse in the 19th and early 20th centuries *Southern Folklore Quarterly*
