how to read objects in ways that make the distant past understandable and approachable *Fifty Early Medieval Things* introduces readers to the material culture of late antique and early medieval Europe north Africa and western Asia Ranging from Iran to Ireland and from Sweden to Tunisia Deborah Deliyannis Hendrik Dey and Paolo Squatriti present fifty objects artifacts structures and archaeological features created between the fourth and eleventh centuries an ostensibly Dark Age whose cultural richness and complexity is often underappreciated Each thing introduces important themes in the social political cultural religious and economic history of the postclassical era Some of the things like a simple ard plow unearthed in Germany illustrate changing cultural and technological horizons in the immediate aftermath of Rome's collapse others like the Arabic coin found in a Viking burial mound indicate the interconnectedness of cultures in this period Objects such as the Book of Kells and the palace city of Anjar in present day Jordan represent significant artistic and cultural achievements more quotidian items a bone comb an oil lamp a handful of chestnuts belong to the material culture of everyday life In their thing by thing descriptions the authors connect each object to both specific local conditions and to the broader influences that shaped the first millennium AD and also explore their use in modern scholarly interpretations with suggestions for further reading

Re-Thinking Kinship and Feudalism in Early Medieval Europe Stephen D. White, 2023-07-07 This is the second collection of studies by Stephen D White to be published by Variorum the first being *Feuding and Peace Making in Eleventh Century France* The essays in this volume look principally at France and England from Merovingian and Anglo Saxon times up to the 12th century They analyze Latin and Old French discourses that medieval nobles used to construct their relationships with kin lords men and friends and investigate the political dimensions of such relationships with particular reference to patronage clientage the use of land as an item of exchange and feuding In so doing the essays call into question the conventional practice of studying kinship and feudalism as independent systems of legal institutions and propose new strategies for studying them

Medieval Bodies Jack Hartnell, 2019-11-12 With wit wisdom and a sharp scalpel Jack Hartnell dissects the medieval body and offers a remedy to our preconceptions Just like us medieval men and women worried about growing old got blisters and indigestion fell in love and had children And yet their lives were full of miraculous and richly metaphorical experiences radically different from our own unfolding in a world where deadly wounds might be healed overnight by divine intervention or where the heart of a king plucked from his corpse could be held aloft as a powerful symbol of political rule In this richly illustrated and unusual history Jack Hartnell uncovers the fascinating ways in which people thought about explored and experienced their physical selves in the Middle Ages from Constantinople to Cairo and Canterbury Unfolding like a medieval pageant and filled with saints soldiers caliphs queens monks and monstrous beasts this book throws light on the medieval body from head to toe revealing the surprisingly sophisticated medical knowledge of the time Bringing together medicine art music politics philosophy religion and social history Hartnell's work is an excellent guide to what life was really like for the men and women who lived and died in the Middle Ages Perfumed and decorated with gold

fetishized or tortured powerful even beyond death these medieval bodies are not passive and buried away they can still teach us what it means to be human Homelia in Laude Ecclesiae Ab Conversionem Gentis, Post Concilium Et Confirmationem Ecclesiae Saint Leander (Archbishop of Seville),2009-01-01 Saint Leander played a major part against all odds in spreading the true faith throughout Spain for the first time This translation of Leander s rules for a nun s life provides an important addition to such literature *Introduction to the Carolingian Age* Cullen J. Chandler,2024-05-13 Introduction to the Carolingian Age provides an accessible history of western Europe in the eighth and ninth centuries when arguably a truly European civilization emerged out of the transformed former world of the Roman Empire Through a thematical and chronological approach this book explores the life family and period of Charlemagne in a clear and informative way The secular aristocrats ecclesiastical figures and scholars associated with the Carolingian dynasty feature as partners in building the empire and guiding its development and the social and cultural lives of people from the elite to the common classes are also examined Through an engaging narrative this study demonstrates that by the end of the ninth century the royal house faced a series of challenges that brought about the devolution of the empire into smaller kingdoms and the loosening of the Carolingian family s grip on monarchy Based on up to date scholarship Introduction to the Carolingian Age offers explanations of historical developments and discussions of key historiographical debates This book is an essential resource for both undergraduate students and general readers with an interest in the history of the Carolingian period from 750 900
