Early Modernities:

Comparative Early Modernities David Porter, 2012-09-14 Recent historical scholarship has shown the way towards a geographically capacious conception of the early modern world Featuring essays by nine leading scholars of early modern Asia and Europe *Comparative Early Modernities* casts aside the legacies of European exceptionalism to reveal the interconnected multiplicity of the early modern world and of the variety of unexpected pathways linking these histories to the evolving modernities of the 21st century In their fresh and provocative examinations of topics in literature philosophy art history and political economy the authors transform our understanding of global early modernity and reassess the theoretical and methodological premises of comparative historical studies

A Companion to Early Modern Istanbul, 2021-11-01 This multi disciplinary volume is the first collective effort to explore Istanbul capital of the vast polyglot multiethnic and multireligious Ottoman empire and home to one of the world s largest and most diverse urban populations as an early modern metropolis It assembles topics seldom treated together and embraces novel subjects and fresh approaches to older debates Contributors crisscross the socioeconomic political cultural environmental and spatial to examine the myriad human and non human actors local and global that shaped the city into one of the key sites of early modern urbanity Contributors are Oscar Aguirre Mandujano Zeynep Altok Walter G Andrews Bet l Ba aran Cem Behar Maurits H van den Boogert John J Curry Linda T Darling Suraiya Faroqhi Emine Fetvac Shirine Hamadeh Cemal Kafadar i dem Kafescio lu Deniz Karaka Leyla Kayhan Elbirlik B Harun K k Selim S Kuru Karen A Leal G lru Necipo lu Christoph K Neumann Asl Niyazio lu Amanda Phillips Marinos Sariyannis Aleksandar Shopov Lucienne Thys enocak N khet Varl k N Zeynep Yel e G lay Y lmaz and Zeynep Y rekli

Early Modernities Mary E. Berry, 1998 Between the Middle Ages and Modernity Charles H. Parker, Jerry H. Bentley, 2007 This groundbreaking book examines the complex relationships between individuals and communities in the profound transitions of the early modern period Taking a global and comparative approach to historical issues the distinguished contributors show that individual and commun

Delimiting Modernities Sven Trakulhun, Ralph Weber, 2015-02-12 This collection seeks to contribute to the many long standing discussions on modernity but also and more specifically to the more recent debates over trends to pluralize modernity These debates are current in many different academic disciplines such as sociology anthropology literature and postcolonial studies Hitherto most engagements with modernity in the plural have remained conspicuously confined to one or other intra disciplinary notion of modernities such as that of Shmuel Eisenstadt s multiple modernities which has triggered a host of conference papers and publications largely within sociology all the while it seems that the literatures for instance of multiple modernities and alternative modernities are each distinguished by the fact that one ignores the other It is the principal aim of this edited volume to subject these disciplinary discussions to a more encompassing view assembling contributions from different scholars who not only work in different disciplines and regional settings but who also engage with their research topics in a variety of approaches and at

different levels of analysis The volume thus transcends the sometimes narrow boundaries of the debates over modernities within the established academic disciplines and seeks to turn the unavoidable friction brought about by this interdisciplinary setting into most original and insightful scholarship

Reimagining the Globe and Cultural Exchange Laura Hostetler, 2024-02-06 How did Asia come to be represented on European World maps When and how did Asian Countries adopt a continental system for understanding the world How did countries with disparate mapping traditions come to share a basic understanding and vision of the globe This series of essays organized into sections on Jesuit Circuits of Communication and Publication Jesuit World Maps in Chinese Reverberations of Matteo Ricci s Maps in East Asia and Reflections on the Curation of Cartographic Knowledge go a long way toward answering these questions about the shaping of our modern understandings of the world

Protest with Chinese Characteristics Ho-fung Hung, 2011-05-31 The origin of political modernity has long been tied to the Western history of protest and revolution the currents of which many believe sparked popular dissent worldwide Reviewing nearly one thousand instances of protest in China from the eighteenth to the early nineteenth centuries Ho fung Hung charts an evolution of Chinese dissent that stands apart from Western trends Hung samples from mid Qing petitions and humble complaints to the emperor He revisits rallies riots market strikes and other forms of contention rarely considered in previous studies Drawing on new world history which accommodates parallels and divergences between political economic and cultural developments East and West Hung shows how the centralization of political power and an expanding market coupled with a persistent Confucianist orthodoxy shaped protesters strategies and appeals in Qing China This unique form of mid Qing protest combined a quest for justice and autonomy with a filial loyal respect for the imperial center and Hung s careful research ties this distinct characteristic to popular protest in China today As Hung makes clear the nature of these protests prove late imperial China was anything but a stagnant and tranquil empire before the West cracked it open In fact the origins of modern popular politics in China predate the 1911 Revolution Hung s work ultimately establishes a framework others can use to compare popular protest among different cultural fabrics His book fundamentally recasts the evolution of such acts worldwide

The Early Modern World, 1450-1750 John C. Corbally, Casey J. Sullivan, 2022-01-27 The Early Modern World 1450 1750 Seeds of Modernity takes a distinctive approach to global history and enables a holistic view of the world during this period without prioritizing any one nation or region It guides students towards an understanding of how different empires nations communities and individuals constructed contested and were touched by major trends and events Its thematic structure covers politics technology economics the environment and intellectual and religious worldviews In order to connect global trends and events to human experiences each chapter is underpinned by a social and cultural history focus enabling the reader to gain an understanding of the lived human experience and make sense of various perspectives and worldviews The Legacy feature also discusses connections between early modern history and the contemporary world looking at how the past is contested or memorialized

today The result is a textbook that helps the 21st century student gain a rich and nuanced understanding of the global history of the early modern period

Sodomy in Early Modern Europe Thomas Betteridge, 2002-10-11 This fascinating collection of essays reflects closely the main areas of debate within gay historiography *Introduction, paths to early modernities* Shmuel Noah Eisenstadt, Wolfgang Schluchter, 1998 Early Modern English Drama Garrett A. Sullivan, Patrick Cheney, Andrew Hadfield, 2006 Each of these essays addresses not only a play but a specific cultural or literary topic They cover vital perspectives in cultural studies such as race class gender sexuality and colonialism as well as topics in history like humanism science law and reformation theology and in dramatic genre

The Journal of Medieval and Early Modern Studies, 2004 Identity and Coexistence in the Early Modern Mediterranean Eric Dursteler, 2000 Early Modern English Poetry Patrick Cheney, Andrew Hadfield, Garrett A. Sullivan, 2007 This text features 28 essays written by important international scholars on the major poems of the English Renaissance It offers scholarship on subjects ranging from the invention of English verse Petrarchism pastoral elegy and satire to women s religious verse the place of homoeroticism and Cavalier poetry

Early Modern Autobiography Ronald Bedford, Philippa Kelly, 2006 Explores the diversity and creativity of early modern life writing

Charting the Shape of Early Modern Southeast Asia Anthony Reid, 2000 In this volume Anthony Reid positions Southeast Asia on the stage of world history He argues that the region not only had a historical character of its own but that it played a crucial role in shaping the modern world Southeast Asia s interaction with the forces uniting and transforming the world is explored through chapters focusing on Islamisation Chinese Siamese Cham and Javanese trade Makasar s modernising moment and slavery The last three chapters examine from different perspectives how this interaction of relative equality shifted to one of an impoverished third world region exposed to European colonial power

AMAZON *Between the Middle Ages and Modernity* Charles H. Parker, Jerry H. Bentley, 2006-12-28 This groundbreaking book examines the complex relationships between individuals and communities during the profound transitions of the early modern period Historians have traditionally identified the origins of a modern individualist spirit in the European Renaissance and Reformation Yet since the 1960s evolving scholarship has challenged this perspective by calling into question its basic assumptions about individualism its exclusive focus on elite individuals and its inherent Eurocentric bias Arguing that individual identity drew from traditional forms of community these essays by leading scholars convincingly show that individual and community created and recreated one another in the major structures interactions and transitions of early modern times The authors contend that on the one hand communities provided the stability that allowed for individual agency even as they imposed new forms of discipline that confined individuals to more rigid moral and social norms On the other hand individuals established forms of association to advance their own economic social political and religious agendas Offering an important contribution to our understanding both of the early modern period and of its historiography this volume will be an invaluable resource for scholars working in the fields of medieval early modern and modern history and on
