Chinese Study Bible (Hardcover) ,2022-08-22 The Chinese Study Bible combines Scripture text from the Chinese Union Version with New Punctuation CUVNP and content from the ESV Study Bible translated by United Bible Societies

William Dean Chung-Yan Joyce Chan,2014 This book examines a significant yet much overlooked Chinese Bible translation project produced by William Dean 18071895 an American Baptist missionary to the Chinese people in Siam and China Decades prior to the UNION VERSION Dean was convinced that sound translation alone was inadequate for cross cultural audiences who were unfamiliar with the Christian religion to gain a correct reading of the Scripture Dean provided extensive commentary to his Bible translation despite the potential of violating Bible production principles set by the Bible societies Deans particular word choices reflect his effort to contextualize the Christian message culturally and socio politically and to establish the Bible as an authoritative text in the Chinese intellectual tradition This study utilizes extensive primary sources in both the English and Chinese language from the American Baptist Historical Society Archives and the Bible Society Library at the Cambridge University Library **The Chinese study Bible** Timothy Yu,2004 **CHINESE STUDY BIBLE GENUINE LEATHE** ESV,2022-10-31 *Yu Study Bible, Chinese Study Bible* M. Leekung Yu,1985-06-01

The Oxford Handbook of the Bible in China Khiok-Khng Yeo,2021 The Oxford Handbook of the Bible in China deftly examines the Bible s translation expression interpretation and reception in China Forty eight essays address the translation of the Bible into China s languages and dialects expression of the Bible in Chinese literary and religious contexts Chinese biblical interpretations and methods of reading and the reception of the Bible in the institutions and arts of China This comprehensive and unique volume presents insightful succinct and provocative evidence about and interpretations of encounters between the Bible and China for centuries past continuing into the present and likely prospects for the future

class scientists in Germany or tech engineers and entrepreneurs in Chicago Dr Dokmegang s experiences illuminate how God orchestrates divine appointments for those willing to step out in faith This book will inspire readers to recognize that they too can be used by God wherever they are in the marketplace academia or their local community
