Choderlos De Laclos:

Les Liaisons Dangereuses Pierre Choderlos de Laclos, 2012-12-06 I resolved to write a book which would create some stir in the world and continue to do after I had gone from it Choderlos de Laclos A great sensation at the time of first publication Les Liaisons Dangereuses reads as much the most modern of eighteenth century novels Viewed by some critics as a morality tale and others as a subtle inquiry into libertinism it brilliantly depicts the foibles of the French aristocracy on the eve of the French Revolution Renowned for its exploration of lust revenge and human malice and still carrying a tremendous power to shock its adaptations for screen and stage have made its central characters notorious for their sophisticated and ultimately tragic games of seduction and manipulation 1964, 00000000 '0 00000 00 0000 **DANGEROUS LIAISONS by PIERRE AMBROISE FRANCOIS CHODERLOS de LACLOS** Pierre Ambroise Francois Choderlos de LACLOS, Choderlos de LACLOS, 2016-12-10 LETTER IV The VISCOUNT DE VALMONT to the MARCHIONESS DE MERTEUIL Your orders are enchanting and your manner of giving them still more delightful you would even make one in love with despotism It is not the first time you know that I regret I am no longer your slave and yet monster as you style me I recall with rapture the time when you honoured me with softer names I have often even wish'd again to deserve them and to terminate by giving along with you an example of constancy to the world But matters of greater moment call us forth conquest is our destiny and we must follow it we may perhaps meet again at the end of our career for permit me to say without putting you out of temper my beautiful Marchioness you follow me with a pretty equal pace and since for the happiness of the world we have separated to preach the faith I am inclined to think that in this mission of love you have made more proselytes than I I am well convinced of your zeal and fervour and if the God of Love judged us according to our works you would be the patron saint of some great city whilst your friend would be at most a common village saint This language no doubt will surprise you but you must know that for these eight days I hear and speak no other and to make myself perfect in it I am obliged to disobey you Don't be angry and hear me As you are the depository of all the secrets of my heart I will intrust you with the greatest project I ever formed What do you propose to me To seduce a young girl who has seen nothing knows nothing and would in a manner give herself up without making the least defence intoxicated with the first homage paid to her charms and perhaps incited rather by curiosity than love there twenty others may be as successful as I Not so with the enterprise that engrosses my mind its success insures me as much glory as pleasure and even almighty Love who prepares my crown hesitates between the myrtle and laurel or will rather unite them to honour my triumph Even you yourself my charming friend will be struck with a holy respect and in a fit of enthusiasm will exclaim This is the man after my own heart You know the Presidente Tourvel her devout life her conjugal love and the austerity of her principles that is the object I attack that is the enemy worthy of me that is the point I intend to carry I must tell you the President is in Burgundy prosecuting a considerable suit I hope to make him lose one of greater importance his inconsolable partner is to remain here the whole time of this afflicting widowhood A mass

each day a few visits to the neighbouring poor prayers morning and evening a few solitary walks pious conferences with my old aunt and sometimes a melancholy game at whist are her only amusements but I am preparing some of a more efficacious nature for her My guardian angel led me here for our mutual happiness Fool that I was I used to regret the time that I sacrificed to the customary ceremonies How should I now be punished by being obliged to return to Paris Fortunately there must be four to make a whist party and as there is no one here but the curate of the place my eternal aunt has pressed me much to sacrifice a few days to her you may judge I did not refuse her You can t conceive how much she caresses me ever since and above all how much she is edified by seeing me so regular at mass and at prayers But little does she imagine the divinity I adore there Thus in the space of four days have I given myself up to a violent passion You are no stranger to the impetuosity of my desires and how readily all obstacles fly before me but I ll tell you what you don t know that solitude adds immensely to the ardour of desire I have but one idea I cherish it by day and dream on t by night I must possess this woman lest I should be so ridiculous as to be in love for whither may we not be led by frustrated desire

Les liaisons dangereuses Pierre Ambroise François Choderlos de Laclos,1929 **Dangerous Connections** Pierre Choderlos de Laclos,2020-04-03 Dangerous Liaisons is a 1988 American period romantic drama film directed by Stephen Frears from a screenplay by Christopher Hampton based on his play Les liaisons dangereuses which was

itself adapted from the 18th century French novel of the same name by Pierre Choderlos de Laclos. It stars Glenn Close, John Malkovich, Michelle Pfeiffer, Swoosie Kurtz, Mildred Natwick, Peter Capaldi, Keanu Reeves, and Uma Thurman. *Dangerous Liaisons* was released theatrically on December 16, 1988, by Warner Bros. It received generally positive reviews from critics with praise for Close and Pfeiffer's performances and the screenplay, production values, and costumes. Although it was a moderate commercial success, grossing \$34.7 million against its \$14 million budget, it was cited as a box office disappointment. The film received seven nominations at the 61st Academy Awards, including for Best Picture, and won three: Best Adapted Screenplay, Best Costume Design, and Best Production Design.

Les Liaisons Dangereuses Christopher Hampton, 2014-07-31. The scandalous reputation of Laclos's novel, first published in 1782, is based on its chilling portrayal of the mannered decadence and sexual cynicism of the French aristocracy in the last years of the ancien régime. Christopher Hampton has made a masterful adaptation for the stage of the conspiracy to corrupt a young girl barely out of her convent. *Les liaisons dangereuses* was premiered by Royal Shakespeare Company at The Other Place, Stratford-upon-Avon, on 24 September 1985 and won Christopher Hampton the Evening Standard Award for Best Play and the Laurence Olivier Award for Best New Play in 1986.

Reimagining Society in 18th Century French Literature Jonas Ross Kjærgård, 2018-08-06. The French revolutionary shift from monarchical to popular sovereignty came clothed in a new political language, a significant part of which was a strange coupling of happiness and rights. In Old Regime ideology, Frenchmen were considered subjects who had no need of understanding why what was prescribed to them would be in the interest of their happiness. The 1789 Declaration of the Rights of Man and of the Citizen equipped the French with a list of inalienable rights, and if society would respect those rights, the happiness of all would materialize. This volume explores the authors of fictional literature who contributed alongside pamphleteers, politicians, and philosophers to the establishment of this new political arena, filled with sometimes vague yet insistent notions of happiness and rights. The shift from monarchical to popular sovereignty and the corollary transition from subjects to citizens culminated in the summer of 1789, but it was preceded by an immense piece of imaginative work.

Sentimental Savants Meghan K. Roberts, 2016-10-26. An illuminating study of the marriages and family lives of Diderot, Lavoisier, and other geniuses of the Age of Reason. We may imagine the lone scientific or philosophical genius generating insights in isolation, but in reality, the families of scientists and philosophers during the Enlightenment played a substantial role, not only making space for inquiry within the home but also assisting in observing, translating, calculating, and illustrating. *Sentimental Savants* is the first book to explore the place of the family among the savants of the French Enlightenment, a group that openly embraced their families and domestic lives, even going so far as to test out their ideas from education to

inoculation on their own children Meghan K Roberts delves into the lives and work of such major figures as Denis Diderot Emilie Du Chatelet the Marquis de Condorcet Antoine Lavoisier and Jerome Lalande to paint a striking portrait of how sentiment and reason interacted in the eighteenth century to produce not only new kinds of knowledge but new kinds of families as well A well crafted study an important contribution to what Robert Darnton has called the social history of ideas
