When God named himself it was more than a label He stressed that his name represented his character and those who bore it must accurately display that character in their words and deeds Misunderstanding this basic biblical truth has led to the reduction of the third commandment to simply a language issue in popular culture However its correct understanding and preaching should be the start of knowing Gods dealings with his Old and New Testament people as well as the template for todays believers Initially establishing the consistency of the testamental record through themes and the use of the Old Testament by Jesus and the New Testament writers the author displays some of Gods characteristics found in both testaments which illustrate ethical requirements for his church and inspire the responses of his people The fruit of a lifetime of study of the Old Testament distilling biblical wisdom written concisely and understandable to the average church member though informed by much scholarly reading As a gifted biblical expositor and much loved classroom teacher Leggett again pushes us into Old Testament study to inform us of the New and inspires us to more whole hearted devotion to the God who has called us by his name Dr Terrance Tiessen emeritus professor of theology and ethics Providence Seminary Leggetts final work captures his love for Scripture as he carefully explores the theme of Christian identity drawing on his thorough familiarity with the biblical texts and his impressive knowledge of Old Testament scholarship Accessibility in style and practical insights make it a valuable resource for the lay person to deepen their understanding of the Scriptures and the God of whom they speak John Franklin IMAGO director adjunct at Tyndale Seminary and Trinity College Toronto With warmth and passion the author traces specific themes through both testaments illustrating their unity of witness to the character of God The

Freedom Walk Mary Stanton, 2011-03-04 In 1963 the streams of religious revival racial strife and cold war politics were feeding the swelling river of social unrest in America Marshaling massive forces civil rights leaders were primed for a widescale attack on injustice in the South By summer the conflict rose to great intensity as Blacks and whites clashed in Birmingham Outside the massive drive Bill Moore a white mail carrier had made his own assault a few months earlier Jeered and assailed as he made a solitary civil rights march along the Deep South highways he was ridiculed by racists as a crazy man His well publicized purpose to walk from Chattanooga to Jackson and hand deliver a plea for racial tolerance to Ross Barnett the staunchly segregationist governor of Mississippi On April 23 on a highway near Attalla Alabama this lone crusader was shot dead Although he was not a nobly ideal figure handpicked by shapers of the movement inadvertently he became one of its earliest martyrs and until now part of an overlooked chapter in the history of the civil rights movement Floyd Simpson a grocer and a member of the Gadsden Alabama chapter of the Ku Klux Klan was charged

with Moore's murder. A week later a white college student named Sam Shirah led five Black and five white volunteers into Alabama to finish Moore's walk. They were beaten and jailed. Four other attempts to complete the postman's quest were similarly stymied. Moore had kept a journal that detailed his goal. Using it along with interviews and extensive newspaper and newsreel reports, Mary Stanton has documented this phenomenal freedom walk as seen through the eyes of Moore, Shirah, and the gunman, the three protagonists. Though all shared a deep love of the South, their strong feelings about who was entitled to walk its highways were in deadly conflict. *Religious Books, 1876-1982*, 1983. Prepared by the R. R. Bowker Company's Department of Bibliography in collaboration with the Publications Systems Department. Page opposite top. Includes indexes. Author Index 3901-4069. Title Index 4071-4389. **Being Spiritual while Doing Research** Volker Kessler, Marilyn Naidoo, Tanya van Wyk, Philipp Wenk. Although the topic of spirituality has been experiencing a renaissance since the end of the previous century, it is not always associated with academic activities. The book invites scholars from all fields to rethink this traditional divide between knowledge and spirituality, offering fresh perspectives on how the two can coexist and enhance each other. Twenty-nine authors from across the world illustrate how scholarly pursuits in various disciplines can be deeply spiritual journeys. **Life and Letters of George Jacob Holyoake** Joseph McCabe, 1908. **Choice**, 1969. The Publishers' Trade List Annual, 1974. Paperbound Book Guide for Colleges, 1972. *Christian Perspectives on Human Development* LeRoy Aden, David G. Benner, J. Harold Ellens, 1992. Psychologists speculate how midlife change affects an individual. This book seeks a Christian horizon for life cycle theories. Contributors represent professional and theological diversity, but all pursue a spiritual dimension that counselors can apply to help people. The United Methodist Periodical Index, 1970. **The National Reformer**, 1870. Instructor's Edition for Mitchell's Roots of Wisdom Helen Buss Mitchell, 2004-02. Christian Herald, 1968. **Outlook** Alfred Emanuel Smith, Francis Walton, 1871. The Publishers Weekly, 1968.
