Christ What Did He Really Say:

Did Jesus Really Say He Was God? Mikel Del Rosario, 2025-10-23 How to Make Sense of Jesus Divine Claims Do you ever wonder if Jesus really claimed to be God Maybe you've heard people say Jesus never said he was God or you've been asked Why believe Jesus is divine if he never claimed it These challenges aren't just from non-Christians they show up in church too Even if you're not coming from a place of skepticism you might still question how well church teachings about Jesus match up with what he actually said So did the historical Jesus really claim to be divine This book is here to give you confidence in the historicity of Jesus claim to divinity It's designed to help you explain your faith in a world that increasingly doubts the Bible's portrayal of Jesus Instead of focusing on what Jesus followers believed this book takes a different approach it looks at what Jesus enemies thought How did they interpret his words and actions Their perspective can help you understand the historical validity of Jesus divine claim In this book biblical scholar Mikel Del Rosario uses historiography to examine claims about Jesus divinity analyzes ancient Greco-Roman Jewish and biblical sources to understand how Jesus words and actions were interpreted by his adversaries and followers and argues that Jesus claimed divine authority a claim supported by strong historical evidence If you're a Christian this book will equip you to defend your faith against theories that suggest Jesus only claimed human authority not divine If you're someone who sees Christianity differently this book offers a serious investigation into the claims of the historical Jesus providing evidence that any theory of his identity must address Whether you're searching for answers to your own questions or trying to share about Jesus with others this book will help you communicate Jesus divine claim with clarity and confidence [What Did Jesus Really Say?](#) misha'al ibn Abdullah Al-Kadhi,
